FENRIS REM 700 BDL SA Safety Instruction Guide

Introduction

Thank you for choosing the FENRIS Adjustable Stocks GRS Rifle Stocks for your Remington 700 BDL SA. This product is designed to enhance your shooting experience while ensuring safety during use. It is essential to read and understand these safety instructions to maximize the benefits of your rifle stock and minimize any risks associated with its use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are familiar with the laws and regulations regarding firearm use in your area.
- Use appropriate safety gear, such as eye and ear protection, when handling firearms.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Follow all manufacturer instructions for the safe operation and maintenance of your firearm and accessories.

Specific Safety Precautions for Use

- Ensure that the FENRIS stock is properly installed before using your firearm.
- Adjust the Length of Pull (LOP) and cheekpiece only when the firearm is not in use.
- Be cautious when using the ergonomic honeycomb grip; ensure your hands are dry and free from oils or substances that may cause slippage.
- Avoid using the stock in wet or slippery conditions, which could affect your grip and control of the firearm.
- If you experience any unusual movement or flexing of the stock during use, cease operation immediately and inspect the stock for damage.
- Do not exceed the weight limit of the stock as specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington 700 BDL SA according to the manufacturer's guidelines.
- Align the FENRIS stock with the action of the rifle.
- Securely fasten the stock using the screws provided, ensuring that it is firmly attached and free from movement.
- Adjust the LOP and cheekpiece to your preferred settings before use.

2. Usage:

- Before firing, doublecheck that the stock is securely attached and that all adjustments are properly set.
- When taking aim, ensure that your grip on the honeycomb grip is firm and stable.
- Practice safe shooting techniques and follow all applicable laws and regulations.
- After use, clean the stock with a damp cloth and store it in a safe location.

Disposal Instructions

- Dispose of the FENRIS stock in accordance with local regulations regarding plastic and synthetic materials.
- Do not incinerate the stock, as it may release harmful substances when burned.
- If the stock is damaged beyond use, consider recycling the material where possible.
