

# FENRIS ADJUSTABLE STOCKS - GRS RIFLESTOCKS FENRIS TIKKA T3/ T3X/T1X, GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Fenris is a great value, fully adjustable stock with a super-strong reinforced fiberglass construction. The stealth gray color blends with black accents, making the stock as esthetic as it is functional. Available in multiple setups by sku. Low-maintenance synthetic materials. Adjustable LOP and cheekpiece for faster and more accurate shots. Ergonomic honeycomb grip for better recoil absorption. Bedding blocks are installed as a standard to prevent flexing and reduce movement. Adapted to fit a height-adjustable recoil pad to be added for prone shooting.

# FENRIS Adjustable Stocks GRS Riflestocks Safety Instruction Guide

## Introduction

Thank you for choosing the FENRIS Adjustable Stocks for your Tikka T3, T3X, or T1X rifle. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure the safe and effective use of your new rifle stock.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before handling the stock.
- Inspect the stock for any signs of damage or wear before use.
- Use the stock only with compatible rifle models as specified.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Do not modify the stock in any way that may compromise its integrity or safety.
- Follow all local laws and regulations regarding firearm use and storage.

## Specific Safety Precautions for Use

- Ensure the stock is properly installed before using the rifle.
- Adjust the length of pull (LOP) and cheekpiece only when the firearm is not in use.
- Use the ergonomic honeycomb grip to enhance recoil absorption and maintain control.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- If you experience any issues with the stock, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock by following the manufacturer's instructions for your specific rifle model.
- Align the FENRIS stock with the rifle's action and secure it using the provided screws.
- Tighten the screws firmly but do not overtighten to avoid damage.

### 2. Adjustment:

- To adjust the length of pull (LOP), locate the adjustment mechanism on the stock.
- Slide the stock to the desired length and ensure it locks securely in place.
- Adjust the cheekpiece by loosening the adjustment knob, positioning it to your preference, and tightening the knob again.

### 3. Maintenance:

- Clean the stock regularly with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that could damage the synthetic materials.
- Inspect the bedding blocks periodically to ensure they are secure and functioning properly.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic and synthetic materials.
- Do not burn the stock as it may release harmful fumes.

- If the stock is damaged beyond repair, consult local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FENRIS Adjustable Stocks, please refer to the manufacturer's customer support resources. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can enjoy the benefits of your FENRIS Adjustable Stocks while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
