

# FENRIS ADJUSTABLE STOCKS - GRS RIFLESTOCKS FENRIS BERGARA B14 SA HMR, GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Fenris is a great value, fully adjustable stock with a super-strong reinforced fiberglass construction. The stealth gray color blends with black accents, making the stock as esthetic as it is functional. Available in multiple setups by sku. Low-maintenance synthetic materials. Adjustable LOP and cheekpiece for faster and more accurate shots. Ergonomic honeycomb grip for better recoil absorption. Bedding blocks are installed as a standard to prevent flexing and reduce movement. Adapted to fit a height-adjustable recoil pad to be added for prone shooting.

# Safety Instruction Guide for FENRIS Adjustable Stocks GRS Rifle Stocks

## Introduction

Thank you for choosing the FENRIS Adjustable Stocks GRS Rifle Stocks for your shooting needs. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide carefully before using the stock to understand potential hazards and how to mitigate them.

## General Safety Guidelines

- Ensure that the stock is compatible with your rifle model before installation.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors do not use the stock without adult supervision.
- **Proper Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Installation:** Follow the installation instructions carefully to avoid improper setup, which can lead to accidents.
- **Maintenance:** Clean the stock regularly to ensure optimal performance and longevity.
- **Shooting Position:** Use the stock in a stable shooting position to minimize the risk of injury and improve accuracy.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle is unloaded before beginning the installation process.
- Remove any existing stock from the rifle according to the manufacturer's instructions.
- Align the FENRIS stock with the rifle's receiver and securely attach it using the provided screws.
- Adjust the length of pull (LOP) and cheekpiece to your preference for a comfortable fit.
- Install the heightadjustable recoil pad if necessary, ensuring it is securely fastened.

### 2. Usage:

- Before firing, ensure that the stock is properly adjusted and securely attached to the rifle.
- When aiming, maintain a firm grip on the ergonomic honeycomb grip for better recoil absorption.
- Always wear appropriate eye and ear protection when shooting.
- After use, clean the stock and check for any damage or wear.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, it should be recycled or disposed of in a manner that prevents environmental harm.

- Do not dispose of the stock in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to this information for any safety concerns or questions you may have.

By adhering to the guidelines and instructions provided in this safety instruction guide, you can ensure a safe and enjoyable experience with your FENRIS Adjustable Stocks GRS Rifle Stocks. Thank you for prioritizing safety and responsible usage.
