Safety Instruction Guide for the AR15 12.5" Carbon Fiber Handguard

Introduction

Thank you for choosing the AR15 12.5" Carbon Fiber Handguard. This product is designed to enhance your firearm's performance while ensuring safety during use. Please read this safety instruction guide carefully before installation and use to ensure proper handling and compliance with safety regulations.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store the handguard and all firearm components securely and out of reach of children.
- Inspect the handguard regularly for any signs of damage or wear.
- Follow all local laws and regulations regarding firearms and their accessories.
- Use the handguard only with compatible firearms and components as specified.

Specific Safety Precautions for Use

- **Installation Precaution:** Ensure that the firearm is unloaded before beginning the installation of the handguard.
- **Compatibility:** This handguard is designed for use with AR15 platforms only. Do not attempt to use it with other firearm types.
- **Gas Block Compatibility:** This handguard is for use with low profile gas blocks only. It will not fit behind a rifle gas system length front sight.
- **Weight Limit:** The handguard weighs 0.45 pounds. Ensure that your firearm can support this weight without compromising stability or safety.
- **MLOK Slots:** Be cautious when attaching accessories to the MLOK slots. Ensure all accessories are securely fastened to prevent them from becoming loose during use.

Instructions for Installation and Usage

Required Tools (Not Included)

- Action Blocks for AR15 Upper
- Torx T15 Wrench
- 9/64" Allen Wrench
- 1/2" Socket Driver
- Torque Wrench for use with the supplied barrel nut wrench
- Medium Strength Thread Locker (e.g., Blue Loctite)

Installation Steps

1. **Preparation:** Ensure that the firearm is unloaded and in a safe working environment.
2. **Remove Existing Handguard:** If applicable, remove the existing handguard following the manufacturer's instructions.
3. **Install Barrel Nut:**
 - Use the aluminum barrel nut provided with the handguard.
 - Tighten the barrel nut using the torque wrench and the supplied barrel nut wrench according to the manufacturer's specifications.
4. **Attach Handguard:**
 - Align the handguard with the barrel nut.
 - Secure the handguard using the screws and mounting hardware provided.

5. **Final Checks:**

- Ensure all screws are tightened securely.
- Check that the handguard is firmly attached and does not wobble.

6. **Accessory Installation:** Attach any desired accessories to the MLOK slots, ensuring they are securely fastened.

Usage Guidelines

- Always inspect the handguard before use to ensure it is properly installed and free of defects.
- Use the handguard only in accordance with the manufacturer's instructions and your firearm's specifications.
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding firearms accessories.
- Do not dispose of the handguard in regular household waste. Check for local recycling programs that accept firearm components.

Contact Information for Further Support

For questions or concerns regarding the AR15 12.5" Carbon Fiber Handguard, please consult the manufacturer's customer service or your local firearms expert for assistance.

Please keep this guide for future reference. Your safety is our priority, and proper care and handling of your firearm and its accessories are crucial for safe operation.
