Swampfox Arrowhead LPVO 18X24MM SFP Illuminated Rifle Scope Safety Instructions

Introduction

Thank you for choosing the Swampfox Arrowhead LPVO 18X24MM SFP Illuminated Rifle Scope. This product is designed for serious law enforcement and selfdefense applications. To ensure your safety and the optimal performance of your rifle scope, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your rifle scope as if it is loaded and ready to fire.
- Ensure the rifle scope is mounted securely before use.
- Keep the rifle scope and all accessories out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or wear.
- Use the rifle scope only for its intended purpose as described in this manual.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle your rifle scope with care. Avoid dropping or striking it against hard surfaces.
- **Mounting:** Ensure that the scope is properly mounted to your firearm according to the manufacturer's instructions.
- **Adjustment:** Use the locking turrets to make adjustments without tools, preventing unintentional changes to your settings.
- **Illumination:** When using the illuminated reticles, ensure that the illumination is set to the appropriate level for your environment to avoid eye strain.
- **Cleaning:** Use only a soft, dry cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials that may damage the optics.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting platform on your firearm.
- Securely attach the rifle scope using appropriate mounting rings or bases.
- Ensure that the scope is level and aligned with the barrel of the firearm.
- Tighten the mounting screws to the manufacturer's specifications.

2. Usage:

- Before using the scope, familiarize yourself with its features, including the magnification settings and reticle options.
- Adjust the magnification by rotating the eyepiece according to your shooting needs.
- Use the throw lever for quick magnification adjustments.
- When aiming, ensure that your eye is properly aligned with the scope to achieve the best sight picture.
- After use, always cover the scope with a protective cap to prevent dust and debris accumulation.

Disposal Instructions

- Dispose of the rifle scope and any associated accessories in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Instead, take them to a designated electronic waste disposal facility.
- Remove batteries (CR2032) before disposal and recycle them according to local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of this product, please refer to the manufacturer's website for support resources and guidance. Ensure you have the model number (Arrowhead) ready for reference.

Thank you for prioritizing safety while using the Swampfox Arrowhead LPVO 18X24MM SFP Illuminated Rifle Scope. Your adherence to these guidelines will enhance your experience and ensure safe operation.
