Safety Instruction Guide for BOLTACTION 7MM REMINGTON MAGNUM CARBON FIBER BARREL

Introduction

Thank you for choosing the BOLTACTION 7MM REMINGTON MAGNUM CARBON FIBER BARREL by Christensen Arms. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Always treat firearms and their components as if they are loaded, even when you believe they are not.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear. Do not use if any issues are detected.
- Familiarize yourself with local laws and regulations regarding the use of firearms and their components.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use only compatible Remington 700 firearms with this barrel to ensure safety and performance.
- Do not attempt to modify or alter the barrel in any way.
- Avoid using ammunition that exceeds the specifications for the 7mm Remington Magnum cartridge.
- Ensure that the barrel is properly mounted and secured before use.
- Be aware of your surroundings and ensure a clear shooting area before firing.
- Follow all manufacturer instructions regarding the cleaning and maintenance of the barrel.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your Remington 700 firearm according to the manufacturer's instructions.
- Carefully align the new Christensen Arms carbonfiber barrel with the receiver.
- Secure the barrel using the appropriate tools, ensuring it is tightly fitted without overtorquing.
- Check the alignment and ensure there are no gaps between the barrel and the receiver.

2. Usage:

- Before firing, check that the barrel is securely attached and inspect for any obstructions.
- Load the firearm with the correct 7mm Remington Magnum ammunition.
- Fire in a controlled manner, observing all safety precautions.
- After use, clean the barrel according to the manufacturer's cleaning guidelines to maintain performance and longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management services for guidance on the proper disposal of firearm components.

Contact Information for Further Support
