BOLTACTION 338 LAPUA CARBON FIBER BARREL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BOLTACTION 338 LAPUA CARBON FIBER BARREL from Christensen Arms. This document provides essential safety guidelines, installation instructions, and proper usage practices to ensure a safe and effective experience with your new barrel. It is important to read and understand this guide thoroughly before proceeding.

General Safety Guidelines

- Always handle firearms and firearm components with care.
- Ensure that the barrel is installed by a qualified gunsmith or experienced individual.
- Follow all local laws and regulations regarding firearms and ammunition.
- Store the barrel in a secure location away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only compatible Remington 700 firearms with this barrel.
- Ensure that the ammunition used is specifically designed for the 338 Lapua cartridge.
- Do not exceed the recommended load specifications for the barrel.
- Always wear appropriate eye and ear protection when using the firearm.
- Avoid using the barrel in wet or humid conditions to prevent corrosion.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until ready to fire.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the Remington 700 action using appropriate tools.
- Clean the action threads to remove any debris or old thread locker.
- Carefully install the BOLTACTION 338 LAPUA CARBON FIBER BARREL by threading it into the action.
- Torque the barrel to the manufacturer's specifications using a calibrated torque wrench.
- Install the muzzle brake or suppressor if applicable, ensuring it is securely attached.
- Perform a final inspection to ensure everything is properly aligned and secured.

2. Usage:

- Load the firearm with ammunition specifically designed for the 338 Lapua.
- Check the firearm's safety mechanism before firing.
- Fire the firearm in a controlled environment, following all range safety protocols.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

Disposal Instructions

- When disposing of the barrel, follow local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consider returning it to the manufacturer for proper disposal.

disposal.

- Avoid placing the barrel in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details included with your product packaging. Always ensure that you have the latest information regarding recalls or safety notices by checking the EU Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities. Enjoy your shooting experience with the BOLTACTION 338 LAPUA CARBON FIBER BARREL.
