FFT Long Action Floor Plate Safety Instructions

Introduction

Thank you for choosing the FFT Long Action Floor Plate from Christensen Arms. This product is designed for use with long action Christensen Arms and Remington 700 footprint stocks. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the floor plate for any signs of damage or wear before use.
- In case of any concerns regarding product safety, report to the relevant authorities.

Specific Safety Precautions for Use

- Be aware of potential hazards associated with the use of the floor plate, including:
 - Improper installation which may lead to malfunction.
 - Use of incompatible components that may compromise safety.
- Always follow the manufacturer's instructions for installation and usage.
- Do not modify the product in any way, as this may void warranties and compromise safety.
- Ensure that the firearm is unloaded before installing or removing the floor plate.
- Use appropriate safety gear when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the necessary tools for installation, including a screwdriver.
- Verify that the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing floor plate from the firearm by following the manufacturer's disassembly instructions.
- Align the FFT Long Action Floor Plate with the stock and press it into place.
- Secure the floor plate using the provided screws, ensuring they are tightened properly but do not overtighten.
- Doublecheck that the floor plate is firmly attached before use.

2. Usage:

- After installation, perform a function check to ensure that the floor plate operates correctly with your firearm.
- Regularly inspect the floor plate during use to ensure it remains securely attached.
- If you notice any unusual sounds or movements during operation, cease use immediately and inspect the product.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, do not discard it with regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FFT Long Action Floor Plate, please refer to the manufacturer's website or contact customer support for assistance.

Please remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention to these important safety guidelines.
