Safety Instruction Guide for M5 (.308) Enhanced Gen2 MLOK Handguards

Introduction

Thank you for purchasing the M5 (.308) Enhanced Gen2 MLOK Handguards from Aero Precision. This guide provides essential safety information to ensure the safe use, installation, and maintenance of your handguard. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the handguard is compatible with your firearm model. This handguard is specific to the M5 .308/M5E1 platform and is not compatible with the AR15/M4E1 platform.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Store the handguard in a safe location, away from children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not attempt to modify the handguard or its components. Unauthorized modifications can compromise safety and performance.
- Ensure that the handguard is securely attached to your firearm before use. A loose handguard can affect accuracy and safety.
- Use only compatible muzzle devices and suppressors that fit the inside diameter specifications of the handguard.
- Be cautious when handling firearms and always treat them as if they are loaded.
- Use the quick disconnect sling sockets at the 3, 6, and 9 o'clock positions only as intended. Improper use can lead to accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a barrel nut wrench (not included).
- Ensure your workspace is clean and free from distractions.

2. Installation Steps:

- Remove the existing handguard from your firearm by loosening the barrel nut.
- Align the new M5 (.308) Enhanced Handguard with the barrel nut cut area.
- Securely attach the handguard using the appropriate barrel nut (sold separately). Ensure that it is tightened to the manufacturer's specifications.
- Check that the handguard is firmly in place and does not rotate.

3. Usage:

- When using the handguard, ensure that your hands are clear of the muzzle when firing.
- If using accessories, verify their compatibility with the MLOK system.
- Regularly clean the handguard to maintain its appearance and performance.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations. Do not dispose of it in regular household waste.
- If the handguard is damaged beyond repair, consider recycling the aluminum material where facilities allow.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to the appropriate support channels provided by Aero Precision. Ensure to have your product details ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your M5 (.308) Enhanced Gen2 MLOK Handguards. Thank you for your attention to safety and for choosing Aero Precision.
