

# **SMR LONG ACTION OBERNDORF ALUMINUM BDL BOTTOM METAL - SNOWY MOUNTAIN RIFLE COMPANY SMR LONG ACTION OBERNDORF ALUMINUM BDL BOTTOM METAL**

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Snowy Mountain Rifles bottom metals are 100% USA made in house in their Montana facility. Their original Oberndorf bottom metal was designed with the lightweight hunting build in mind. With industry leading cuts and design to allow proper fit and feeding, while still allowing 3 rounds to fit of larger diameter calibers like the 6.5 PRC, 7 SAUM, 300 WSM, 28 Nosler, 300 PRC, 300 Norma and more. Made from a single billet piece of 6061 aluminum and carrying their snap fit lid closure system that is guaranteed to never open under recoil. Available for Remington 700 and Remington 700 clone actions in short, XM and long action. - Long action bottom metal weights 2.9 Oz and short action weighs 2.7 OZ - Designed to fit stand box length or Wyatt's extended boxes.

# Safety Instruction Guide for SMR Long Action Oberndorf Aluminum BDL Bottom Metal

## Introduction

Thank you for choosing the SMR Long Action Oberndorf Aluminum BDL Bottom Metal by Snowy Mountain Rifle Company. This product is designed to enhance your hunting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper usage and maintenance.

## General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that the bottom metal is compatible with your firearm model, specifically Remington 700 or its clones.
- Regularly inspect the bottom metal for any signs of wear or damage before use.
- Keep the product out of reach of children and unauthorized users.
- Report any accidents or unsafe conditions to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended ammunition specifications for your bottom metal.
- Ensure that the bottom metal is securely attached to your firearm before use.
- Avoid exposing the product to extreme temperatures or harsh chemicals that may affect its integrity.
- Always use the snap fit lid closure system as intended to prevent accidental openings under recoil.
- If you notice any unusual behavior from your firearm when using this bottom metal, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing bottom metal from your firearm, if applicable.
- Align the SMR bottom metal with the action of your firearm.
- Securely attach the bottom metal using the appropriate screws or fasteners provided.
- Confirm that the bottom metal is properly fitted and does not interfere with the operation of the firearm.

### 2. Usage:

- Load the bottom metal with the appropriate caliber ammunition, ensuring it fits securely.
- Before firing, doublecheck that the bottom metal is locked in place and that the lid is closed.
- When finished using the firearm, unload it in a safe manner and store it securely.

## Disposal Instructions

- Dispose of the bottom metal in accordance with local regulations regarding metal recycling.
- Ensure that all components are disposed of properly to minimize environmental impact.
- If the product is damaged beyond use, consider contacting a recycling facility for safe disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the SMR Long Action Oberndorf Aluminum BDL Bottom Metal, please reach out to the designated support channels provided by Snowy Mountain Rifle Company. Always refer to the official website or product packaging for the most accurate and updated contact information.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy your hunting experience with confidence!
