

U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT - MODTAC SUPPRESSOR SHIELD W/U-RAC 6"X2" COYOTE TAN W/TAN HARDWARE

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

MODTAC U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT Premier Personal Protection Accessory for suppressors up to 1.70" in diameter. Suppressor Shield - Advanced Suppressor Cover Prevent Burns. Eliminate Mirage. Mitigate Risk. This size Suppressor Shield will not work on suppressors larger than 1.700". Please see the U-RAC XL to accommodate larger bodied suppressors. The U-RAC Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for extensive compatibility, it integrates with standard AR-15 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ folding front sight and other MODTAC accessories. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. Its quick-disconnect system ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC is a precision tool built for peak performance in any environment. Key Features & Benefits Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Picatinny Rail Compatibility - Integrates seamlessly with standard AR-15 rails. Unity Tactical FUSION™ Compatible - Accepts the Unity Tactical FUSION™ folding front sight for optimized rail space. Quick Disconnect & Secure Locking - Ensures secure rail mount while allowing for easy installation and removal of the Shield Assembly.

URAC Suppressor Shield Safety Instruction Guide

Introduction

Thank you for choosing the URAC Suppressor Shield with Rail Attachment. This product is designed to enhance your personal protection while using suppressors. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the suppressor shield is compatible with your suppressor model.
- Inspect the shield for any damages or defects before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Heat Management:** The URAC Suppressor Shield provides an average of 60% heat reduction. However, always handle the suppressor with caution to avoid burns.
- **Compatibility:** Ensure that the suppressor does not exceed 1.700" in diameter, as larger suppressors may not fit properly.
- **Secure Fit:** Confirm that the quickdisconnect system is properly engaged before use to ensure a secure fit during operation.
- **Avoid Overheating:** Do not use the suppressor shield continuously for extended periods to prevent overheating.
- **Regular Inspection:** Check the shield and its components regularly for wear and tear, especially after heavy use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the suppressor is cool before installation.
- Align the URAC Suppressor Shield with the suppressor and the Picatinny rail.
- Securely attach the shield using the quickdisconnect system.
- Confirm that the shield is tightly fitted and does not move.

2. Usage:

- Always wear appropriate protective gear when handling firearms and suppressors.
- Monitor the suppressor temperature during use; avoid direct contact with the shield while in operation.
- If the shield shows signs of damage or excessive wear, discontinue use immediately.

3. Removal:

- Allow the suppressor and shield to cool before removal.
- Release the quickdisconnect mechanism to detach the shield from the suppressor.
- Store the shield in a safe place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the URAC Suppressor Shield in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management for proper disposal methods for aluminum and carbon fiber materials.

Contact Information for Further Support

For any questions or concerns regarding the URAC Suppressor Shield, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Enjoy your experience with the URAC Suppressor Shield while prioritizing safety and responsibility.
