

U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT - MODTAC SUPPRESSOR SHIELD W/U-RAC 6.5"X2" CARBON FIBER W/BK HARDWARE

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

MODTAC U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT Premier Personal Protection Accessory for suppressors up to 1.70" in diameter. Suppressor Shield - Advanced Suppressor Cover Prevent Burns. Eliminate Mirage. Mitigate Risk. This size Suppressor Shield will not work on suppressors larger than 1.700". Please see the U-RAC XL to accommodate larger bodied suppressors. The U-RAC Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for extensive compatibility, it integrates with standard AR-15 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ folding front sight and other MODTAC accessories. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. Its quick-disconnect system ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC is a precision tool built for peak performance in any environment. Key Features & Benefits Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Picatinny Rail Compatibility - Integrates seamlessly with standard AR-15 rails. Unity Tactical FUSION™ Compatible - Accepts the Unity Tactical FUSION™ folding front sight for optimized rail space. Quick Disconnect & Secure Locking - Ensures secure rail mount while allowing for easy installation and removal of the Shield Assembly.

URAC Suppressor Shield Safety Instructions

Introduction

Thank you for choosing the URAC Suppressor Shield with Rail Attachment. This product is designed to enhance the safety and performance of suppressors during use. Please read this safety instruction guide carefully to ensure safe and effective use of the product, in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This suppressor shield is designed to ensure safe use and mitigate risks associated with high temperatures and mirage effects during operation.
- **Enhanced Recalls:** In the unlikely event of a safety issue, standardized recall notices will be issued, and remedies will be provided free of charge.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety requirements as you would expect from physical stores.
- **Special Consumer Focus:** Extra care should be taken when used around vulnerable groups, including children. Keep the product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU-based contact provided at the time of purchase.
- **Rapid Alerts:** Stay informed about any potential safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Heat Protection:** The URAC Suppressor Shield is designed to reduce heat transfer. However, always handle with care to avoid burns.
- **Compatibility Check:** Ensure that your suppressor does not exceed 1.700 inches in diameter. Use the URAC XL for larger suppressors.
- **Installation Safety:** Follow installation instructions closely to avoid any accidents during setup.
- **Regular Inspection:** Regularly check the shield for any signs of wear or damage. Do not use if damaged.
- **Secure Mounting:** Ensure that the shield is securely mounted before use, especially when firing in fullauto mode.
- **User Awareness:** Be aware of your surroundings and ensure that bystanders are at a safe distance during use.

Instructions for Installation and Usage

Installation Steps

1. **Prepare the Suppressor:** Ensure that your suppressor is clean and free of debris.
2. **Attach the Rail Grabber:** Align the Picatinny rail grabber with the standard AR15 rail and slide it into position.
3. **Secure the Shield:** Use the quickdisconnect system to lock the suppressor shield in place. Ensure it is firmly attached.
4. **Check Stability:** Gently tug on the shield to confirm it is securely mounted. If it moves, reattach until secure.

Usage Guidelines

- **Before Firing:**
 - Ensure the shield is properly installed.
 - Confirm that the suppressor does not exceed the size limit.
- **During Firing:**

- Monitor the shield for any signs of excessive heat or damage.
- Maintain a safe distance from others.
- **After Firing:**
 - Allow the suppressor and shield to cool down before handling.
 - Inspect the shield for any heat damage or wear.

Disposal Instructions

When disposing of the URAC Suppressor Shield, please follow these guidelines:

- **Recycling:** The carbon fiber and aluminum components may be recyclable. Check local recycling guidelines for proper disposal methods.
- **Hazardous Waste:** If the product is damaged or shows signs of hazardous materials, contact local waste management for safe disposal options.
- **General Waste:** If recycling is not an option, dispose of the product in accordance with local waste disposal regulations.

Contact Information for Further Support

For any questions or concerns regarding the URAC Suppressor Shield, please refer to the contact information provided at the time of purchase or consult the manufacturer's website for additional support.

By following these instructions and safety guidelines, you can ensure the safe and effective use of your URAC Suppressor Shield. Always prioritize safety and stay informed about product updates and recalls. Thank you for choosing MODTAC for your personal protection needs.
