

U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT - MODTAC SUPPRESSOR SHIELD W/U-RAC 6.5"X2" COYOTE TAN W/TAN HARDWARE

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

MODTAC U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT Premier Personal Protection Accessory for suppressors up to 1.70" in diameter. Suppressor Shield - Advanced Suppressor Cover Prevent Burns. Eliminate Mirage. Mitigate Risk. This size Suppressor Shield will not work on suppressors larger than 1.700". Please see the U-RAC XL to accommodate larger bodied suppressors. The U-RAC Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for extensive compatibility, it integrates with standard AR-15 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ folding front sight and other MODTAC accessories. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. Its quick-disconnect system ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC is a precision tool built for peak performance in any environment. Key Features & Benefits Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Picatinny Rail Compatibility - Integrates seamlessly with standard AR-15 rails. Unity Tactical FUSION™ Compatible - Accepts the Unity Tactical FUSION™ folding front sight for optimized rail space. Quick Disconnect & Secure Locking - Ensures secure rail mount while allowing for easy installation and removal of the Shield Assembly.

URAC Suppressor Shield Safety Instruction Guide

Introduction

Thank you for choosing the URAC Suppressor Shield with Rail Attachment by MODTAC. This product is designed to provide superior protection for suppressors while ensuring user safety. Please read this safety instruction guide carefully to understand how to use and maintain your suppressor shield properly.

General Safety Guidelines

- Always ensure the suppressor shield is compatible with your suppressor's diameter (up to 1.70 inches).
- Regularly inspect the suppressor shield for any signs of wear or damage before each use.
- Avoid using the suppressor shield with suppressors larger than 1.700 inches.
- Keep the suppressor shield out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding suppressor use.

Specific Safety Precautions for Use

- **Heat Protection:** The URAC Suppressor Shield is designed to reduce heat exposure. However, do not touch the suppressor or shield immediately after use, as they may still be hot.
- **Proper Installation:** Ensure the shield is securely attached to the suppressor before use to prevent it from dislodging during operation.
- **FullAuto Fire:** If using the suppressor shield during fullauto fire, monitor the shield for any signs of failure or overheating.
- **Compatibility Check:** Confirm that the shield is compatible with your firearm's rail system to ensure proper function and safety.
- **Environmental Awareness:** Be aware of your surroundings when using the suppressor shield, especially in outdoor environments.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the suppressor is cool before installation.
- Align the Picatinny rail grabber on the URAC Suppressor Shield with the rail on your AR15.
- Slide the grabber onto the rail and push it until it is securely in place.
- Use the quickdisconnect system to lock the shield in place, ensuring it is firmly attached.

2. Usage:

- Once installed, the URAC Suppressor Shield should provide adequate protection from heat and mirage.
- Monitor the suppressor and shield during use, especially during extended firing sessions.
- After use, allow the suppressor and shield to cool down before handling.

3. Maintenance:

- Regularly clean the suppressor shield with a soft cloth to remove any debris or residue.
- Inspect the aluminum coupler and carbon fiber for any signs of damage or wear.
- Replace the shield if any structural integrity is compromised.

Disposal Instructions

- Dispose of the URAC Suppressor Shield in accordance with local regulations regarding waste disposal.
- Do not burn the shield, as this may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the URAC Suppressor Shield, please reach out to the manufacturer or your point of purchase for assistance. Always keep your purchase receipt for warranty and support inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your URAC Suppressor Shield. Thank you for prioritizing safety and responsible use.
