

U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT - MODTAC SUPPRESSOR SHIELD W/U-RAC 7"X2" CARBON FIBER W/BLK HARDWARE

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

MODTAC U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT Premier Personal Protection Accessory for suppressors up to 1.70" in diameter. Suppressor Shield - Advanced Suppressor Cover Prevent Burns. Eliminate Mirage. Mitigate Risk. This size Suppressor Shield will not work on suppressors larger than 1.700". Please see the U-RAC XL to accommodate larger bodied suppressors. The U-RAC Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for extensive compatibility, it integrates with standard AR-15 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ folding front sight and other MODTAC accessories. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. Its quick-disconnect system ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC is a precision tool built for peak performance in any environment. Key Features & Benefits Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Picatinny Rail Compatibility - Integrates seamlessly with standard AR-15 rails. Unity Tactical FUSION™ Compatible - Accepts the Unity Tactical FUSION™ folding front sight for optimized rail space. Quick Disconnect & Secure Locking - Ensures secure rail mount while allowing for easy installation and removal of the Shield Assembly.

URAC Suppressor Shield Safety Instructions

Introduction

Thank you for choosing the URAC Suppressor Shield with Rail Attachment. This product is designed to enhance your personal protection while using suppressors. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the suppressor shield is compatible with your suppressor. This shield is designed for suppressors up to 1.70" in diameter.
- Always wear appropriate personal protective equipment (PPE) when handling and using firearms and suppressors.
- Keep the suppressor shield and all related accessories out of reach of children and vulnerable individuals.
- Regularly inspect the suppressor shield for signs of wear or damage before each use.
- If you notice any damage, do not use the suppressor shield and contact the manufacturer for further assistance.

Specific Safety Precautions for Use

- **Heat Protection:** The URAC Suppressor Shield reduces heat transfer to protect users from burns. However, always handle the suppressor with care, as it may still be hot after use.
- **Mirage Elimination:** The shield is designed to mitigate mirage effects. Be aware that mirage may still occur under certain conditions.
- **Secure Attachment:** Ensure that the suppressor shield is securely attached to the suppressor and that the quickdisconnect system is functioning properly before use.
- **FullAuto Fire:** If using the suppressor in fullauto mode, monitor the suppressor shield for stability and integrity during operation.
- **Compatibility with Accessories:** The shield is compatible with the Unity Tactical FUSION™ folding front sight. Ensure that all accessories are properly attached and secured.

Instructions for Installation and Usage

1. Installation:

- Ensure the suppressor is clean and free of debris.
- Attach the URAC Suppressor Shield to the suppressor using the Picatinny rail grabber.
- Confirm that the shield is securely locked in place using the quickdisconnect system.

2. Usage:

- Before firing, doublecheck that the suppressor shield is properly attached.
- Fire the firearm as normal, ensuring to monitor the suppressor shield for any abnormal behavior or signs of damage.
- After use, allow the suppressor and shield to cool down before handling.

3. PostUse Care:

- After each use, inspect the suppressor shield for any signs of wear or damage.
- Clean the shield according to the manufacturer's recommendations to maintain its effectiveness and longevity.

Disposal Instructions

- Dispose of the URAC Suppressor Shield in accordance with local regulations for disposal of nonhazardous materials.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safer experience while using the URAC Suppressor Shield. Always prioritize safety and stay informed about the best practices for using firearms and related accessories.
