

# U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT - MODTAC SUPPRESSOR SHIELD W/U-RAC 7"X2" COYOTE TAN W/TAN HARDWARE

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

MODTAC U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT Premier Personal Protection Accessory for suppressors up to 1.70" in diameter. Suppressor Shield - Advanced Suppressor Cover Prevent Burns. Eliminate Mirage. Mitigate Risk. This size Suppressor Shield will not work on suppressors larger than 1.700". Please see the U-RAC XL to accommodate larger bodied suppressors. The U-RAC Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for extensive compatibility, it integrates with standard AR-15 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ folding front sight and other MODTAC accessories. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. Its quick-disconnect system ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC is a precision tool built for peak performance in any environment. Key Features & Benefits Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Picatinny Rail Compatibility - Integrates seamlessly with standard AR-15 rails. Unity Tactical FUSION™ Compatible - Accepts the Unity Tactical FUSION™ folding front sight for optimized rail space. Quick Disconnect & Secure Locking - Ensures secure rail mount while allowing for easy installation and removal of the Shield Assembly.

# URAC Suppressor Shield Safety Instruction Guide

## Introduction

Thank you for choosing the URAC Suppressor Shield with Rail Attachment. This product is designed to enhance personal protection while using suppressors, providing safety and functionality. Please read this safety instruction guide carefully to ensure the safe use and maintenance of your suppressor shield.

## General Safety Guidelines

- Ensure safe use of the URAC Suppressor Shield by following all instructions.
- Be aware of potential risks associated with suppressor use, including heat exposure and equipment damage.
- Regularly inspect the suppressor shield for wear or damage before each use.
- Keep the suppressor shield out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Heat Exposure:** The URAC Suppressor Shield is designed to reduce heat, but it is essential to avoid direct contact with the suppressor during and immediately after use.
- **Compatibility:** This shield is compatible with suppressors up to 1.70 inches in diameter. Do not use it with larger suppressors; consider the URAC XL for larger models.
- **Installation:** Ensure the suppressor shield is securely attached to the firearm. A loose attachment can lead to accidents.
- **FullAuto Fire:** The quickdisconnect system is designed to withstand fullauto fire, but always check the fit and security before use.
- **Material Safety:** The shield is made from aluminum and hightemp carbon fiber. Avoid exposing it to extreme conditions that may compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Attach the URAC Suppressor Shield to the Picatinny rail on your firearm using the rail grabber provided.
- Verify that the shield is securely locked in place. Attempt to gently shake the shield to ensure it does not move.

### 2. Usage:

- Once installed, check the suppressor's temperature before handling.
- Use the shield to protect yourself and your equipment from heat and mirage.
- Regularly monitor the suppressor and shield during use for any signs of damage or overheating.

### 3. PostUse:

- Allow the suppressor and shield to cool down before removal.
- Store the shield in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the URAC Suppressor Shield in accordance with local regulations regarding aluminum and carbon fiber materials.
- Do not dispose of the shield in regular household waste if it is damaged or compromised. Check with your local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the URAC Suppressor Shield or safety inquiries, please refer to the manufacturer's contact details provided on the packaging or the product's official website.

Thank you for prioritizing safety while using the URAC Suppressor Shield. Your attention to these guidelines helps ensure a safer experience for you and others.
