# Safety Instruction Guide for AR15 Lower Parts Kit with No Fire Control

## Introduction

Thank you for choosing the Sharps Bros AR15 Lower Parts Kit with No Fire Control. This kit contains highquality, USAproduced components designed to meet your needs. To ensure your safety and the safe operation of your firearm, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store your firearm and components securely, out of reach of children and unauthorized users.
- Use protective eyewear and hearing protection when handling or shooting firearms.
- Familiarize yourself with local laws and regulations regarding firearm ownership and use.
- Always follow the manufacturer's instructions for assembly and use.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the lower receiver is compatible with the components in this kit.
- Do not attempt to modify or alter any parts of the kit.
- Only use this kit in conjunction with compliant fire control components that meet legal requirements.
- Keep the work area clean and free from distractions while assembling the components.
- Avoid using this kit if you are under the influence of drugs or alcohol.
- If you are inexperienced, seek assistance from a qualified professional when assembling the kit.

## Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and ensure your workspace is clean and organized.
2. **Assembly Steps:**
  - Insert the bolt catch into the lower receiver.
  - Install the bolt catch detent and spring.
  - Attach the selector and selector detent.
  - Assemble the magazine catch and insert it into the lower receiver.
  - Use the fire control group pins to secure the fire control group (if applicable).
  - Install the takedown pin and pivot pin.
  - Secure the pivot pin detents and buffer retainer pin.
  - Complete the assembly with the spring kit.
3. **Final Check:** Once assembled, perform a thorough inspection to ensure all components are securely installed and functioning correctly.
4. **Usage:** After assembly, follow the manufacturer's guidelines for using the firearm with the installed lower parts kit.

## Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact a local hazardous waste disposal facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to your local regulations and contact appropriate authorities or support services.

## **Conclusion**

Your safety is paramount when using firearm components. By following these guidelines, you can help ensure a safe and enjoyable experience with your Sharps Bros AR15 Lower Parts Kit with No Fire Control. Always prioritize safety and responsibility in all your firearmrelated activities.
