

# **SIG CROSS® PMAGS 7.62 AC - MAGPUL PMAG 5 7.62 AC 308 WINCHESTER 5RD FOR SIG CROSS BLACK**

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 5 7.62 AC - SIG CROSS is a reliable and durable polymer magazine for the .308 Winchester-based family of cartridges. Developed for the SIG CROSS rifle platform, it features a high-visibility follower with a feed ramp for empty chamber loading through the ejection port. It comes standard with a 5-round capacity for hunting regulation compliance, but the follower is easily modified to increase the capacity to six rounds for field, competition, or combat use. Featuring GEN M3 technology, a paint-pen dot matrix for visual identification, and a flared floor plate for positive control and ease of retrieval, the PMAG 5/PMAG 10 7.62 AC -SIG CROSS brings unmatched reliability at an affordable price. Note: While intended for use in SIG CROSS rifles, the PMAG 5/PMAG 10 7.62 AC - SIG CROSS may function with other short action AICS-SPEC bottom metal platforms. 5 or 10-round capacity Self-lubricating, high-visibility follower with feed ramp for ejection port loading Paint-pen dot matrix for easy identification Impact and crush resistant polymer construction Flared and detachable floor plate for positive control and ease of retrieval Made in the U.S.A.

## **Safety Instruction Guide**

### **Introduction**

Thank you for choosing the SIG CROSS® PMAGS 7.62 AC MAGPUL PMAG 5. This safety instruction guide is designed to provide you with essential information about the safe use, installation, and disposal of your magazine, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe operation and maintenance of your product.

### **General Safety Guidelines**

- Ensure that the magazine is compatible with your firearm before use.
- Always handle the magazine with care, treating it as if it is loaded.
- Keep the magazine out of reach of children and vulnerable individuals.
- Inspect the magazine regularly for any signs of wear or damage.
- Do not attempt to modify the magazine beyond the manufacturer's specifications.
- Always follow the manufacturer's instructions for loading and unloading.
- Store the magazine in a cool, dry place away from direct sunlight.
- Report any unsafe products or accidents to the appropriate authorities.

### **Specific Safety Precautions for Use**

- Use only .308 Winchester cartridges with this magazine.
- Do not exceed the magazine's capacity of 5 rounds unless modified as specified by the manufacturer.
- When loading the magazine, ensure that the follower is functioning correctly and is not obstructed.
- Always keep the magazine pointed in a safe direction when loading or unloading.
- If the magazine fails to feed properly, do not attempt to force it; instead, inspect for obstructions or damage.
- Be aware of your surroundings and ensure a safe backdrop when firing.

### **Instructions for Installation and Usage**

#### **1. Installation:**

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

#### **2. Loading the Magazine:**

- Hold the magazine with the follower facing up.
- Insert the cartridges into the magazine, ensuring they are oriented correctly.
- For 5 round capacity, ensure the follower is in the correct position.
- If modifying for 6 rounds, follow the manufacturer's instructions carefully.

#### **3. Unloading the Magazine:**

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Remove the magazine from the firearm.
- To unload, press the follower down and remove the cartridges one at a time.

#### **4. Maintenance:**

- Clean the magazine periodically using a soft cloth.
- Avoid using harsh chemicals that may damage the polymer material.
- Check for any cracks or wear and replace the magazine if necessary.

## **Disposal Instructions**

- Dispose of the magazine responsibly, in accordance with local regulations.
- Do not dispose of the magazine in regular household waste if it is damaged or no longer functional.
- Contact local recycling centers or hazardous waste facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact the designated EUbased support channels for guidance.

By following these safety instructions, you will ensure a safer experience with your SIG CROSS® PMAGS 7.62 AC MAGPUL PMAG 5. Thank you for your attention to safety!
