

SIG CROSS® PMAGS 7.62 AC - MAGPUL PMAG 10 7.62 AC 308 WINCHESTER 10RD FOR SIG CROSS BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 5 7.62 AC - SIG CROSS is a reliable and durable polymer magazine for the .308 Winchester-based family of cartridges. Developed for the SIG CROSS rifle platform, it features a high-visibility follower with a feed ramp for empty chamber loading through the ejection port. It comes standard with a 5-round capacity for hunting regulation compliance, but the follower is easily modified to increase the capacity to six rounds for field, competition, or combat use. Featuring GEN M3 technology, a paint-pen dot matrix for visual identification, and a flared floor plate for positive control and ease of retrieval, the PMAG 5/PMAG 10 7.62 AC -SIG CROSS brings unmatched reliability at an affordable price. Note: While intended for use in SIG CROSS rifles, the PMAG 5/PMAG 10 7.62 AC – SIG CROSS may function with other short action AICS-SPEC bottom metal platforms. 5 or 10-round capacity Self-lubricating, high-visibility follower with feed ramp for ejection port loading Paint-pen dot matrix for easy identification Impact and crush resistant polymer construction Flared and detachable floor plate for positive control and ease of retrieval Made in the U.S.A.

SIG CROSS® PMAGS 7.62 AC MAGPUL PMAG 10

Safety Instruction Guide

Introduction

Thank you for choosing the SIG CROSS® PMAGS 7.62 AC MAGPUL PMAG 10. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always treat the magazine as if it is loaded, even when it is not.
- Keep the magazine out of reach of children and unauthorized users.
- Check for any visible damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearm magazines.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only .308 Winchesterbased cartridges in this magazine.
- Do not attempt to modify the magazine beyond its intended design.
- Always load and unload the magazine in a safe environment, away from people and pets.
- Ensure the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not exceed the magazine's specified capacity of 10 rounds.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.

Instructions for Installation and Usage

1. Loading the Magazine

- Hold the magazine in one hand with the follower facing up.
- Insert the cartridges into the magazine, ensuring they are oriented correctly.
- Push down on the follower to make room for additional rounds.
- Ensure that the magazine is filled to the desired capacity, up to 10 rounds.

2. Installing the Magazine in the Firearm

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.
- Confirm that the magazine is securely attached before proceeding.

3. Removing the Magazine from the Firearm

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well with a firm grip.

4. Cleaning and Maintenance

- Clean the magazine regularly to ensure optimal performance.

- Use a soft cloth to wipe down the exterior of the magazine.
- Inspect the follower and feed ramp for debris and clean as necessary.
- Store the magazine in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- If the magazine is damaged beyond repair, consider recycling it if possible.

Contact Information for Further Support

For any safety inquiries or support regarding the SIG CROSS® PMAGS 7.62 AC MAGPUL PMAG 10, please reach out to the relevant EU-based contact point. Ensure you have your product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priority.
