

STACKED ANGLED GRIP EXTENSIONS ONLY - STRIKE INDUSTRIES

STACKED ANGLED GRIP EXTENSION

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

The Strike Stacked Angled Grip with Cable Management System® is a modular rail attachment that allows the user to adjust the preferred length when paired with the optional Strike Stacked Angled Grip (sold separately) Extension. This item is the Stackable Extension Pieces only. With the stackable Extension pieces, the shooter can apply different grip techniques to adapt to various scenarios or sized hands. The grip angle sits on the handguard at 86 degrees and is compatible with M-LOK slots. Also included is the patent pending SI Cable Management System® (CMS) function which enables you to organize and store excess wire from your weapon light or any other cabled accessories. Cables can be routed alongside the handguard, 90-degrees or in a U-shape. Designed with textured palm and finger areas with flat sides for better weapon manipulation control. The Strike Stacked Angled Grip with Cable Management is a lightweight high-strength impact resistant custom blended SI Polymer Extreme material attachment that gives the user modular (with optional Extension) adjustable length grip options for better weapon manipulation control. Strike Stacked Angled Grip Extension Package Contents: x2 Strike Stacked Angled Grip body x2 Strike Stacked Angled Grip side plate

Safety Instruction Guide for Strike Industries Stacked Angled Grip Extensions

Introduction

Thank you for choosing the Strike Industries Stacked Angled Grip Extensions. This product is designed to enhance your shooting experience by providing adjustable grip options. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grip extensions.
- Inspect the grip extensions for any signs of damage before use. Do not use if damaged.
- Ensure that all components are securely attached before using the firearm.
- Keep the grip extensions out of reach of children and unauthorized users.
- Familiarize yourself with your firearm's operation and safety features before using the grip extensions.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the grip extensions only with compatible firearms and accessories.
- Ensure that the grip angle is adjusted to a comfortable position for your hand size and shooting technique.
- Avoid using excessive force during installation or adjustment to prevent damage to the grip or firearm.
- Do not use the grip extensions in wet or slippery conditions to maintain control.
- Always maintain a proper shooting stance and grip to ensure stability and accuracy.

Instructions for Installation and Usage

1. Installation of Grip Extensions

- Ensure that your firearm is unloaded.
- Remove the existing grip from the handguard if applicable.
- Align the Strike Stacked Angled Grip Extensions with the MLOK slots on the handguard.
- Securely attach the grip extensions using the provided hardware, ensuring they are tightened properly.
- Check that the grip is firmly in place before proceeding.

2. Adjusting the Grip Length

- Depending on your preference, stack the desired number of extension pieces.
- Ensure that each piece is securely connected to the previous one.
- Test the grip length by holding the firearm to ensure comfort and control.

3. Cable Management System Usage

- Organize any excess wires from your weapon light or other cabled accessories using the SI Cable Management System.
- Route cables alongside the handguard, at 90 degrees, or in a Ushape as needed.
- Ensure that routed cables do not interfere with the operation of the firearm.

4. Regular Maintenance

- Periodically check the grip extensions for wear and tear.
- Clean the grip extensions with a damp cloth and mild soap if necessary. Do not use harsh chemicals.
- Replace any damaged components immediately to maintain safety.

Disposal Instructions

- Dispose of the grip extensions in accordance with local regulations.
- Do not dispose of in regular household waste if the product is damaged or contains hazardous materials.
- Consider recycling options for polymer materials if available in your area.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or customer support channels.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the Strike Industries Stacked Angled Grip Extensions.
