

# AR-15 CNCGUNS A1 DETACHABLE CARRY HANDLE ASSEMBLY - BROWNELLS BRN AR-15/A1 DETACHABLE CARRY HANDLE ASSEMBLY, BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

One of a Kind Complete A1 Carry Handle Machined from billet aluminum, the Brownells A1 Carry Handle offers the robust design of the A1 Rear Sight, with the flexibility of a detachable carry handle. The A1 carry handle attaches cleanly to any flat top, M4 type upper receiver. Large flat knobs allow for simple, toolless attachment and removal. The machined carry handle is designed and manufactured by CNC Guns, with Brownells now offering the completed assembly for the first time. Rear sight is a standard A1 assembly, that adjusts and locks in place just like the original. Utilizing the A1 rear sight ensures your zero won't be lost if the rifle is bumped or handled roughly.

# Safety Instruction Guide for AR15 CNCGUNS A1 Detachable Carry Handle Assembly

## Introduction

Thank you for choosing the AR15 CNCGUNS A1 Detachable Carry Handle Assembly. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or removing the carry handle.
- Keep the carry handle assembly away from children and unauthorized users.
- Inspect the carry handle for any damage or defects before each use.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Always wear appropriate eye and ear protection when using firearms.

## Specific Safety Precautions for Use

- Ensure that the carry handle is securely attached to the upper receiver before use.
- Do not use the carry handle if it shows signs of wear or damage.
- Avoid using the carry handle in adverse weather conditions that may affect its performance.
- Be cautious of the carry handle's edges during handling to prevent cuts or injuries.
- Always store the carry handle in a safe place when not in use.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Align the Carry Handle:** Position the A1 Carry Handle over the flat top of the upper receiver.
3. **Secure the Handle:** Use the large flat knobs to attach the carry handle. Turn the knobs clockwise until secure. Ensure it is firmly in place.
4. **Check Stability:** Gently tug on the carry handle to ensure it is securely attached.

### Usage

- **Adjusting the Rear Sight:** Use the standard A1 assembly adjustments to set your desired sight picture.
- **Locking Mechanism:** Ensure the rear sight is locked in place to maintain zero.
- **Removing the Carry Handle:** To detach, turn the knobs counterclockwise and lift the carry handle off the receiver.

## Disposal Instructions

- Dispose of the carry handle assembly in accordance with local regulations for metal waste.
- Do not dispose of the carry handle in regular household waste.
- If the carry handle is damaged beyond repair, contact local authorities for proper disposal methods.

## Contact Information for Further Support
