## Strength of a Machined Receiver With Universal Fit of a Forged Lower

Aero Precision's M4E1 Stripped Lower Receiver delivers the strength and unique looks of a billet machined lower, with the lower cost, lighter weight, and easy parts compatibility of a forged lower. The M4E1 starts as an "enhanced" forging from extra-strong 7075 T6 aluminum that is precision machined to final dimensions for compatibility with all standard "mil-spec" AR-15 parts. As a bonus, the good-looking M4E1 has a streamlined profile, without the chunky appearance of many milled lowers. Actually, the Aero Precision M4E1 Stripped Lower Receiver is not quite "stripped." Extra benefits include an integral triggerguard, which creates a more rigid, structurally sound receiver than a standard AR-15 lower, and also eliminates the risk of accidentally breaking off a triggerguard tab when working on the rifle. The enlarged triggerguard opening gives extra clearance so you can easily operate the trigger when wearing gloves. The M4E1 comes with an easy-to-install threaded bolt catch roll pin that eliminates the risk of damaging the lower's finish during installation (OK, you may be able to still do damage, but you'll have to work hard at it!). Other features of the Aero Precision M4E1 stripped lower include: Flared magwell opening facilitates fast, one-shot mag changes Threaded takedown pin detent recess for easy buffer removal without chasing down a flyaway detent! Accepts standard mil-spec AR-15 fire control components, pistol grip, buffer tubes & stocks Hardcoat anodized to resist surface wear, in Matte Black or Cerakote™ Flat Dark Earth The Aero Precision M4E1 Stripped Lower Receiver even has a polymer-tipped tensioning screw nestled in the grip tang that you can adjust for a tight, rattle-free fit with the upper receiver. All the benefits of a custom machined lower without the downside!

## Attributes

- Name: [AERO PRECISION M4E1 STRIPPED LOWER RECEIVER FOR AR-15 KODIAK BROWN](#)
- Manufacturer: [AERO PRECISION](#)
- Product no.: 430103902
- Mfr. No.: APAR600025C
- Cartridge: -
- Colour: Kodiak Brown
- Finish: Anodized
- Style: Stripped
- Weapon type: AR-15
- Delivery weight: 0.454kg
- Shipping height: 57mm
- Shipping width: 108mm
- Shipping length: 235mm
- UPC: 840014618316

## Item details

Made in USA

US export classification: 0A509.b

# Safety Instruction Guide for AR15 M4E1 Stripped Lower Receiver

## Introduction

Thank you for choosing the Aero Precision M4E1 Stripped Lower Receiver. This guide provides essential safety instructions to ensure you use this product safely and effectively. Please read this document carefully before handling, installing, or using the receiver.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm components with care. Treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Inspect the receiver and all parts for any damage or wear before use.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not modify the receiver or any of its components in a way that could compromise safety.
- Ensure that the firearm is unloaded before performing any installation or maintenance tasks.
- Be cautious when operating the trigger with gloves, as it may affect your grip and control.
- Use only compatible parts and accessories to avoid malfunctions or accidents.
- Never point the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Installation of the Receiver:

- Ensure that you have all necessary tools and parts before beginning installation.
- Follow the manufacturer's instructions for installing the M4E1 Stripped Lower Receiver.
- Use the provided threaded bolt catch roll pin to secure the bolt catch without damaging the receiver's finish.
- Install the integral trigger guard carefully, ensuring it is seated properly to avoid structural issues.

### 2. Usage of the Receiver:

- Once installed, check that all parts are functioning correctly before use.
- Familiarize yourself with the operation of the firearm, including how to safely load and unload it.
- Regularly inspect the receiver and all components for signs of wear or damage.
- Clean and maintain the receiver according to the manufacturer's recommendations.

### 3. Safety Checks:

- Before using the firearm, perform a safety check to ensure it is in proper working condition.
- Verify that the magazine is correctly seated and that the firearm is unloaded.

## **Disposal Instructions**

- Dispose of the receiver and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Aero Precision M4E1 Stripped Lower Receiver, please refer to the manufacturer's official website or customer service resources for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Aero Precision M4E1 Stripped Lower Receiver. Remember to always prioritize safety and responsible firearm ownership.
