HRD Extended MLOK Handstop Safety Instruction Guide

Introduction

Thank you for choosing the HRD Extended MLOK Handstop by JMAC Customs. This hand retention device is designed to enhance your shooting experience by providing a compact, lightweight, and reversible solution compatible with MLOK systems. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Use appropriate eye and ear protection while handling firearms.
- Store this product out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only install the HRD Extended MLOK Handstop on compatible MLOK handguards.
- Ensure that the mounting hardware is securely fastened before use.
- Follow the torque specifications provided to avoid damage to the handguard:
 - 4.0 N·m (35 lb·in) for metal accessories on metal handguards.
 - 1.7 N·m (15 lb·in) for polymer or metal accessories on polymer handguards.
- Do not exceed the recommended torque specifications to prevent stripping the threads.
- Avoid using the handstop in conditions that may compromise your grip or control of the firearm, such as wet or slippery environments.
- If you notice any signs of wear or damage, discontinue use immediately and replace the product.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation

- Identify the desired location on your MLOK handguard for the handstop.
- Align the handstop with the MLOK slots.
- Insert the Tslot nuts into the handstop and position them in the MLOK slots.
- Secure the handstop by tightening the mounting screws to the specified torque settings:
 - 4.0 N·m (35 lb·in) for metal-to-metal connections.
 - 1.7 N·m (15 lb·in) for polymer connections.

3. Usage

- Grip the handstop firmly while maintaining control of the firearm.
- Ensure that your fingers are clear of the trigger until you are ready to fire.
- Regularly check the tightness of the handstop during use to ensure it remains secure.

Disposal Instructions

- Dispose of the HRD Extended MLOK Handstop in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste if it contains any hazardous materials. Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the HRD Extended MLOK Handstop, please contact the manufacturer directly. Ensure you have the product details ready for reference.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your shooting experience!
