Safety Instruction Guide for TS8 Triangle Stock

Introduction

Thank you for choosing the TS8 Triangle Stock by JMac Customs. This product is designed for use with firearms and is subject to specific safety regulations. Please read this guide thoroughly to ensure safe installation and usage.

General Safety Guidelines

- Always ensure that you are in compliance with local, state, and federal laws regarding the use of stocks on firearms.
- Attaching a stock to a pistol converts it into a ShortBarreled Rifle (SBR) and requires approval from the National Firearms Act (NFA).
- Be aware that misuse of this product can result in serious injury or legal consequences.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Do not use the stock if it is damaged or if any components are missing.
- Always use the product in a safe environment, free from distractions and potential hazards.
- Follow all firearm safety rules and guidelines while using this product.
- If you are unsure about the installation or use of this product, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation Steps

- Locate the mounting area on the firearm where the stock will be attached.
- Align the stock with the mounting area.
- Secure the stock using the appropriate screws and tools. Ensure that it is tightly fastened.
- If applicable, attach any additional components such as cheek risers (note: these will be available in the future).

3. Usage

- When using the TS8 Triangle Stock, ensure that it is properly secured and functioning.
- Practice safe handling and shooting techniques at all times.
- If using with a folding mechanism, ensure that it operates smoothly and securely before each use.

4. PostUse Inspection

- After each use, inspect the stock for any signs of wear or damage.
- Clean the stock as needed to maintain its condition.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consult local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the TS8 Triangle Stock, please refer to the manufacturer's contact details provided with your product packaging or visit the official website of JMac Customs for more information.

This safety instruction guide is designed to help you understand the proper use and handling of the TS8 Triangle Stock. By following these guidelines, you can ensure a safe and enjoyable experience with your product.
