# SBRMMLOK BIPOD HARRIS Safety Instruction Guide

## Introduction

Thank you for choosing the SBRMMLOK Bipod Harris. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your bipod. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the bipod.
- Always inspect the bipod for any signs of damage or wear before each use.
- Use the bipod only for its intended purpose: to stabilize firearms while shooting off a bench.
- Keep the bipod out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Usage:**
  - Use the bipod only on stable, flat surfaces to ensure stability.
  - Avoid using the bipod in extreme weather conditions that may affect its performance.
- **Hazard Awareness:**
  - Be aware of your surroundings and ensure that no one is in the line of fire when using the bipod.
  - Do not exceed the weight limit of the bipod to prevent failure.
- **Installation Precautions:**
  - Follow the installation instructions carefully to avoid improper setup.
  - Ensure that the bipod is securely attached to the MLOK handguard before use.
- **Maintenance:**
  - Regularly clean and maintain the bipod to ensure optimal performance.
  - Replace any worn or damaged parts immediately.
- **Sling Swivel Stud:**
  - Ensure that the sling is properly attached to the builtin sling swivel stud to avoid accidental detachment.

## Instructions for Installation and Usage

### 1. Installation:

- Use a 1/8 hex key (not included) to attach the bipod directly to the MLOK handguard.
- Ensure that the bipod is securely fastened and that it does not wobble.

### 2. Adjusting Height:

- To adjust the height, pull the notched legs outward and set them to the desired height between 6" and 9".
- Ensure that the legs are locked in place before use.

### **3. Swiveling:**

- The bipod can swivel (tilt) to compensate for uneven terrain. Adjust as needed to maintain stability.

### **4. Deployment:**

- The notched legs are springloaded for fast deployment. Pull the legs down to deploy quickly.

### **5. Usage:**

- Position the bipod on a stable surface.
- Place the firearm on the bipod and ensure it is securely supported before aiming.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations.
- Do not dispose of the bipod in household waste.
- If the bipod is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the SBRMMLOK Bipod Harris, please refer to the contact information provided on the product packaging or visit the manufacturer's website for support.

Please keep this manual for future reference and ensure that all users of the SBRMMLOK Bipod Harris are familiar with these safety instructions. Thank you for your attention to safety.
