# S25CP BIPOD Safety Instruction Guide

## Introduction

Thank you for choosing the S25CP Bipod from Harris. This guide provides essential safety information and instructions to ensure the safe and effective use of your bipod. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always inspect the bipod before each use to ensure it is in good condition.
- Ensure that the bipod is securely attached to the Picatinny rail before use.
- Avoid using the bipod on unstable or uneven surfaces that may cause it to tip over.
- Keep the bipod away from children and pets when not in use.
- Do not exceed the weight limit for the bipod to prevent accidents.
- If you notice any damage or malfunction, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- **Use in Appropriate Conditions:** The bipod is designed for use in various terrains, including snow and grass. However, ensure that the ground is stable and secure.
- **Weight Limit:** The bipod is rated for a specific weight limit. Exceeding this limit may cause failure.
- **Sling Attachment:** When using the builtin sling swivel stud, ensure the sling is securely attached to prevent accidental detachment.
- **Leg Adjustment:** Be cautious when adjusting the leg height to avoid pinching fingers or causing injury.
- **Swivel Mechanism:** The bipod's swivel feature allows for tilting. Ensure that you are aware of your surroundings to avoid accidents.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Picatinny Rail:** Ensure that the rail is clean and free of debris.
2. **Attach the Bipod:**
  - Align the bipod's attachment mechanism with the Picatinny rail.
  - Slide the bipod onto the rail until it locks into place.
3. **Check Security:** Gently pull on the bipod to ensure it is securely attached.

### Usage

1. **Adjust the Height:**
  - Pull the leg adjustment buttons to extend or retract the legs.
  - Ensure that both legs are at the same height for stability.
2. **Set the Bipod:**
  - Place the bipod on the ground and ensure it is stable.
  - Adjust the swivel feature as needed to compensate for uneven terrain.
3. **Use the Bipod:**
  - Position your firearm securely on the bipod.
  - Ensure that the bipod is stable before taking aim.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations for metal and plastic waste.
- Do not dispose of the bipod in regular household waste.

- If the bipod is damaged beyond repair, consider recycling components where possible.

## **Contact Information for Further Support**

For any further assistance or inquiries regarding the S25CP Bipod, please refer to the contact information provided with your purchase.

Please keep this safety instruction guide for future reference. Your safety is our priority, and following these guidelines will help ensure a safe and enjoyable experience with your S25CP Bipod.
