Safety Instruction Guide for MIKE15 GEN 2 BUFFERLESS LOWER

Introduction

Thank you for choosing the MIKE15 GEN 2 BUFFERLESS LOWER from Foxtrot Mike Products. This guide provides important safety information and instructions to ensure the safe and proper use of your new firearm component. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition securely away from children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when shooting.
- Follow all local laws and regulations regarding firearm ownership and use.
- Ensure that the MIKE15 lower receiver is compatible with your upper receiver before installation.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the MIKE15 lower receiver is used with compatible upper receivers, specifically the BRN180 Upper Receiver and Foxtrot Mike Products Mike15 Gen 2 Upper Receivers. It cannot be used with standard AR15 Upper Receivers.
- **Shooting Position:** The lower receiver may be shot from the folding position when used with compatible upper receivers.
- **Ambidextrous Safety:** Familiarize yourself with the ambidextrous safety mechanism. Ensure it is engaged when not in use.
- **Folding Adapter:** Use the folding adapter as instructed. Lift up on the buffer tube to disengage the lug from the folding adapter, and fold it to the left.
- **Inspect Before Use:** Always inspect the lower receiver for any signs of damage or wear before use. Do not use if damaged.

Instructions for Installation and Usage

1. Installation:

- Ensure you have all necessary tools and components for installation.
- Align the MIKE15 lower receiver with your compatible upper receiver.
- Securely attach the upper receiver to the lower receiver following the manufacturer's instructions.
- Install the carbine buffer tube as per the provided guidelines.
- Ensure the folding adapter is properly secured.

2. Usage:

- Load ammunition only when you are ready to shoot.
- Keep your finger off the trigger until you are ready to fire.
- After firing, always check the firearm for any malfunctions.
- Clean and maintain your lower receiver regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the MIKE15 lower receiver in accordance with local regulations for electronic waste and firearm components.
- Do not dispose of the lower receiver in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MIKE15 GEN 2 BUFFERLESS LOWER, please refer to the manufacturer's contact resources. Ensure you have your product details ready for efficient assistance.

Please remember that safety is a shared responsibility. By following these guidelines, you contribute to a safer shooting experience for yourself and others. Thank you for your attention to these important safety instructions.
