

# GUN TOOL MAX - REAL AVID GUN TOOL MAX

[Gunsmith Tools](#) > [Rifle Tools](#) > [Combination Tools](#)

Welcome to a new breed of firearm multitools. Whether you own a .22 caliber rifle for plinking, a 12 gauge shotgun for hunting, a 9MM for protection, or anything in-between- this multitool is for you. Packed with precision-made, mission-specific tools for hunters and shooters, this highly versatile tool repairs, customizes and makes disassembly and reassembly fast and easy. The Gun Tool Max functions as impressively on the gun cleaning mat as it does in the range, at deer camp or in the duck blind. It's built to kick Murphy's Law in the teeth, face uncertainty and prepare you for whatever is around the corner. It is the next generation of multitools and it belongs at your side.

# GUN TOOL MAX Safety Instruction Guide

## Introduction

Welcome to the GUN TOOL MAX Safety Instruction Guide. This guide provides essential safety information to ensure the safe use of your firearm multitool. It is crucial to follow these guidelines to prevent accidents and ensure the longevity of your tool.

## General Safety Guidelines

- Always use the GUN TOOL MAX in a safe and responsible manner.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use to ensure all components are in good working order.
- Use the tool only for its intended purposes as outlined in this guide.
- Store the tool in a secure location when not in use.
- Be aware of your surroundings and ensure you are in a safe environment when using the tool.
- Report any unsafe conditions or incidents involving the tool to the appropriate authorities.

## Specific Safety Precautions for Use

- **NeedleNose Pliers:** Use caution when handling the pliers to avoid pinching fingers or causing injury.
- **Carbide Cutter:** Handle with care to prevent cuts or injuries. Always cut away from your body.
- **Screwdriver Bits:** Ensure the bit is securely attached before use to avoid slippage.
- **Knife Blade:** Always cut away from yourself and keep the blade closed when not in use.
- **Choke Wrench:** Ensure the wrench fits securely on the choke tube before applying force.
- **Detachable Pick:** Use the pick carefully to avoid injury.
- **Locking Mechanism:** Ensure the locking mechanism is engaged when using the bit driver to prevent accidental release.
- **HighStrength Frame:** Avoid using excessive force that could damage the tool or cause injury.

## Instructions for Installation and Usage

1. **Inspect the Tool:** Before use, check that all components are intact and functioning properly.
2. **Using the Pliers:**
  - Grasp the handles firmly and apply pressure to the jaws for gripping or cutting.
3. **Using the Carbide Cutter:**
  - Position the cutter against the material to be cut and apply steady pressure.
4. **Using the Screwdriver:**
  - Select the appropriate bit and insert it into the bit driver.
  - Turn the driver clockwise to tighten and counterclockwise to loosen screws.
5. **Using the Knife Blade:**
  - Open the blade fully and use it for cutting tasks as needed.
  - Close the blade securely after use.
6. **Using the Choke Wrench:**
  - Fit the wrench onto the choke tube and turn to loosen or tighten as necessary.
7. **Using the Detachable Pick:**
  - Attach the pick to the tool and use it for precise tasks.
8. **Storing the Tool:**
  - After use, clean the tool and store it in a dry place. Use the ballistic nylon sheath for protection.

## Disposal Instructions

- Dispose of the GUN TOOL MAX in accordance with local regulations.
- If the tool is damaged or no longer functional, consider recycling it if possible.

- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the GUN TOOL MAX, please reach out to the designated EU contact point for assistance.

By following these safety instructions, you can ensure the safe and effective use of your GUN TOOL MAX. Thank you for choosing this innovative multitool for your firearm needs.
