

VERTICAL HANDGUARD GRIP - ARISAKA DEFENSE VERTICAL GRIP FOR KEYMOD HANDGUARD

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The Arisaka Vertical Grips are a robust, minimal grip for KeyMod or M-Lok handguards. Each one features a radiused profile at the top which tapers to meet the mounting surface on the handguard, giving a low-profile feel and ergonomic comfort. Twin mounting screws ensure secure attachment. The grip is hollow, with no end-cap. Height: 2.50" Width: 1.30" Weight: 1.8 oz The Vertical Grip is CNC machined from 6061-T651 aluminum and MIL-A-8625 Type III hard coat anodized. Requires a 9/64" Allen wrench for installation (not included). VFG-K Hardware: Two KeyMod standard nuts and two 8-32x1/2" hex cap head screws. VFG-M Hardware: Two M-Lok nuts and two 10-24x3/4" hex cap head screws. Made in the USA.

Safety Instruction Guide for Arisaka Defense Vertical Handguard Grip

Introduction

Thank you for choosing the Arisaka Defense Vertical Handguard Grip. This product is designed to enhance your shooting experience by providing a robust and ergonomic grip for KeyMod or MLoc handguards. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you understand all safety instructions before using this product.
- Always handle firearms and accessories with care and respect.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the grip for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the grip with compatible KeyMod or MLoc handguards.
- Do not exceed the weight limit specified by the handguard manufacturer.
- Ensure that all mounting screws are securely tightened before use.
- Avoid using the grip in wet or slippery conditions that may affect handling.
- Do not modify or alter the grip in any way, as this may compromise safety.
- Be aware of your surroundings and ensure a clear shooting area when using firearms.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** You will need a 9/64" Allen wrench for installation (not included).
2. **Prepare the Handguard:** Ensure that the KeyMod or MLoc handguard is clean and free from debris.
3. **Position the Grip:**
 - Align the grip with the mounting holes on the handguard.
 - Ensure the radiused profile of the grip is facing upward for ergonomic comfort.
4. **Secure the Grip:**
 - For KeyMod attachments (VFGK Hardware):
 - Insert the two KeyMod standard nuts into the handguard slots.
 - Use the two 832x1/2" hex cap head screws to secure the grip.
 - For MLoc attachments (VFGM Hardware):
 - Insert the two MLoc nuts into the handguard slots.
 - Use the two 1024x3/4" hex cap head screws to secure the grip.
5. **Check Security:** Once installed, gently tug on the grip to ensure it is securely attached.

Usage

- Hold the grip firmly while aiming and shooting.
- Maintain a proper shooting stance to ensure stability and control.
- Regularly check the grip's attachment during use, especially after extended shooting sessions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle any metal parts where applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please reach out to the manufacturer or your point of purchase. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can enjoy the benefits of your Arisaka Defense Vertical Handguard Grip while ensuring your safety and the safety of those around you. Thank you for your attention and responsible usage.
