

# 34 ALPHA CHEST RIG - SPIRITUS SYSTEMS 34 ALPHA CHEST RIG RANGER GREEN

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

34 Alpha Chest Rig The 34 Alpha Chest Rig is a split chassis that will interface directly with the existing Spiritus Systems straps and pouches. This is a true blank-slate platform that enables load-carriage configuration options for weapon ammo of nearly any caliber, and when combined with the Spiritus Systems current Pouch Suite, the end user's options are near-limitless. The system is constructed to be as low-profile as possible to add minimal bulk to the finished split rig, letting the end-user configure a chest rig that does exactly what they need it to do on any given mission without added bulk or unused space. The system can be paired with a set of Micro Fight Fat Straps and Back Strap to create a complete platform for a wide range of load bearing configurations. The panels are built with Squadron MOLLE front faces and elastic cells on the back for extra storage. The bottom of each 34 Alpha Panel also has a Velcro slot to mount hanger pouches. The chest rig panels are connected via two sliding Fastex buckles that provide a secure connection point, as well as quick, one-handed, opening and closing when engaging in activities that may require an open front configuration (i.e. going into the prone). They also allow for micro adjustments at the front without having to modify the width of the back strap. Each panel features six columns of MOLLE on the front and is compatible with all of Spiritus' GP Pouches, our SPUD Pouch, the Liberty Dynamic Flash Bang Pouch, the JSTA Pouch, and Nalgene Water Bottle Pouch. The top of the panel is built with integrated anchor point holes that give the wearer a secure solution for internal magazine retention when combined with our bungee retention kit, or to tie down secure items stored on the chest rig pouches. The internal elastic cells in the back are sewn in at three different widths to accommodate a wide range of items ranging from pistol magazines and multi-tools, all the way to 7.62 rifle mags and more. When assembled, the 34 Alpha Split Rig gives end-users access to a load bearing solution that will support a wide range of weapon platforms, mission profiles, and loadouts. NOTE: This is part of the Spiritus Systems Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS 34 ALPHA CHEST RIG RANGER GREEN](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430104644

# Safety Instruction Guide for 34 Alpha Chest Rig

## Introduction

Thank you for choosing the 34 Alpha Chest Rig by Spiritus Systems. This guide provides essential safety instructions to ensure your safe use and enjoyment of the product. Please read and follow these instructions carefully to minimize risks and maximize the performance of your chest rig.

## General Safety Guidelines

- **Product Safety:** Ensure that the chest rig is used only for its intended purpose. This product is designed for loadbearing configurations and should not be used for any other activities.
- **Vulnerable Groups:** This product is not intended for use by children. Keep the chest rig out of reach of children to avoid any potential hazards.
- **Online Shopping:** When purchasing online, ensure that you buy from authorized retailers to guarantee product authenticity and safety compliance.
- **Reporting Unsafe Products:** If you encounter any unsafe conditions or accidents related to this product, report them to the appropriate authorities immediately.
- **Recall Updates:** Regularly check for product recall updates on the EU's Safety Gate platform to stay informed about any safety concerns.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the chest rig fits securely and comfortably on your body. Adjust the straps as necessary to prevent shifting during use.
- **Weight Limit:** Do not exceed the recommended weight limit for the chest rig. Overloading may compromise the integrity of the product and lead to accidents.
- **Check for Damage:** Before each use, inspect the chest rig for any signs of wear or damage. Do not use the product if any components are damaged or worn.
- **Avoid Sharp Objects:** Do not place sharp objects in the pouches or on the rig that may cause injury to yourself or others.
- **Use with Caution:** When engaging in activities that may require the use of the chest rig, such as tactical operations, ensure that you are familiar with its operation and limitations.

## Instructions for Installation and Usage

### • Installation:

1. Attach the chest rig to your body using the shoulder straps and back strap.
2. Adjust the straps to ensure a snug fit without restricting movement.
3. Secure any additional pouches or accessories using the MOLLE system as per your needs.

### • Usage:

1. Load the pouches with appropriate gear, ensuring that the weight is evenly distributed.
2. When not in use, store the chest rig in a cool, dry place away from direct sunlight to prevent material degradation.
3. If using the chest rig in wet conditions, ensure that all gear is waterproofed as necessary.

## Disposal Instructions

- **Proper Disposal:** When the chest rig reaches the end of its life cycle, dispose of it responsibly. Check local regulations for guidance on disposing of textile products.
- **Recycling:** If possible, recycle the materials to minimize environmental impact. Contact local recycling

centers for more information on textile recycling options.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the 34 Alpha Chest Rig, please refer to the contact information provided by your retailer or manufacturer.
