

# MOLLE EXPANDER WING - SPIRITUS SYSTEMS MOLLE EXPANDER WING COYOTE BROWN

[Home](#)

MOLLE Expander Wing The MOLLE Expander Wing is an ambidextrous and versatile platform for mounting knives, pouches, and other kit underneath the cummerbund of the LV/119 plate carrier. The wing integrates with the front plate bag via a double-sided hook and loop field that can be mounted on the front hook & loop panel, under a Micro Fight Chassis or 556 Placard. The wing features integrated loops and a pass through for female Tubes™ bars. This allows the wing to seamlessly work with a Tubes™-equipped LV/119 or allow for the integration of tubes on a plate carrier that would not otherwise accept them. The MOLLE grid is backed with ballistic Tegriss for a solid mounting platform and uses regularly spaced metal eyelets so other non-standard items can be lashed or zip-tied to the wing. The MOLLE grid is comprised of two columns and two rows.

## Attributes

- Name: [SPIRITUS SYSTEMS MOLLE EXPANDER WING COYOTE BROWN](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430104689

# MOLLE Expander Wing Safety Instructions

## Introduction

Thank you for choosing the MOLLE Expander Wing by Spiritus Systems. This product is designed to enhance your plate carrier's versatility and functionality. Please read this safety instruction guide carefully to ensure safe and effective use of the MOLLE Expander Wing.

## General Safety Guidelines

- Ensure that the MOLLE Expander Wing is used in accordance with the manufacturer's instructions.
- Regularly inspect the MOLLE Expander Wing for signs of wear or damage before each use.
- Only use the MOLLE Expander Wing with compatible equipment, as specified in the product description.
- Keep the MOLLE Expander Wing out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the MOLLE Expander Wing only for its intended purpose of mounting knives, pouches, and other equipment.
- Avoid overloading the MOLLE Expander Wing with excessive weight, which may compromise its integrity and performance.
- Ensure that all items mounted on the MOLLE Expander Wing are securely fastened to prevent accidental detachment during use.
- Be cautious when using sharp objects, such as knives, mounted on the MOLLE Expander Wing to prevent injury.
- If you experience any discomfort or restriction of movement while wearing the plate carrier with the MOLLE Expander Wing, remove it immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the front hook & loop panel on your LV/119 plate carrier.
- Attach the MOLLE Expander Wing to the front hook & loop panel using the doublesided hook and loop field.
- Ensure that the wing is securely attached and that the integrated loops and passthrough for Tubes™ bars are properly aligned.

### 2. Usage:

- Once installed, you can mount knives, pouches, and other equipment onto the MOLLE grid.
- Make sure to use the metal eyelets for additional lashing or ziptie options for nonstandard items.
- Regularly check the mounted items for security and stability during use.

## Disposal Instructions

- Dispose of the MOLLE Expander Wing responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOLLE Expander Wing, please refer to the manufacturer's customer service resources. It is advisable to keep the product's packaging for reference and to ensure compliance with safety guidelines.

By following these safety instructions, you can ensure a safe and effective experience with the MOLLE Expander Wing. Always prioritize safety and report any issues to the relevant authorities. Thank you for your attention to these important guidelines.
