[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

MIKE102-STR: Foxtrot Mike Products offers a premium stripped billet lower receivers for the Mike-102 5.56 AK Hybrid platform. Machined from billet aircraft grade aluminum, these lowers are designed to be compatible with Mil-Spec AR internals and provide exceptional durability and strength. The FM Products stripped Mike-102 lower receiver provides a high quality and customization foundation for your Mike-102. While the Foxtrot Mike Products Mike-102 Stripped Lower Receiver may work with other manufacturers parts, we recommend confirming that before you start your next build. Our proprietary Mike-102 Lower receivers should be used with Foxtrot Mike Products Mike-102 Upper receivers. These lowers are compatible with 5.56 NATO and .223 Remington calibers and feature an all-black Type 3 Hard anodize finish. The receivers are machined in house in the Foxtrot Mike facility located in Boise, Idaho. Best of all, all Foxtrot Mike Products Lower receivers are covered by a lifetime warranty. Lots of attention to detail went into making it, complex and time consuming 3D machining in the magwell do take extra time to machine, but the end result is worth it. Extended paddle magazine release makes changing magazines simple. The large smooth magwell on The Foxtrot Mike Products Mike-102 lower receiver, make magazine changes simple. One of the benefits of building your own rifle is the ability to customize it to your preferences. The Mike-102 stripped lower receiver is a solid option for those looking to build a modern and unique Mike-102 AK Hybrid. By building your own gun, you not only save money but also gain valuable knowledge and experience in the process. For a new gun owner, building your own gun has several advantages. New gun owners benefit from being familiar with the operation of their gun, should something require attention in the field. Having a good understanding of how your weapon is put together and how all the parts work is vital when using and operating your gun. Building from the ground up gives you a head start on exactly how a gun works which is one of the first steps in gun safety. The Mike-102 Stripped Lower Receivers may or may not be compatible with other manufacturers 5.56 AK Upper Receivers. Foxtrot Mike can always recommend using Foxtrot Mike Products parts when possible, as all the parts are intended to work together. They always look to consumers to teach them what works best with their products. As they identify other manufacturers 5.56 AK style Upper Receivers, they will update their products descriptions to reflect what works best. With Foxtrot Mike Products, you can be confident that you're getting a top-of-the-line product that is backed by excellent customer service, machining and design. Foxtrot Mike Products Stripped Billet AR-15 style lower receivers are a great choice for anyone looking for a solid foundation to their own specifications. MIKE102P-STR: Foxtrot Mike Products offers a premium stripped billet lower receivers for the Mike-102 5.56 AK Hybrid platform. Machined from billet aircraft grade aluminum, these lowers are designed to be compatible with Mil-Spec AR internals and provide exceptional durability and strength. The Stripped Mike-102 Lower receiver comes with an integrated picatinny rail, machined into the rear of the Premium Mike-102 Lower receiver. The proprietary design machines the picatinny rail adapter into the rear of the lower receiver. No threaded adapters, and comes with an integrated QD mount machined into the rear of the Mike-102 Lower receiver with integrated picatinny rail adapter. Patent pending Picatinny Rail Adapter with QD mount, great option for a

Collapsible or folding Bufferless AR build due to its Picatinny Rail attachment method at the rear of the lower receiver.

Safety Instruction Guide for MIKE102 Stripped Lowers

Introduction

Thank you for choosing the MIKE102 Stripped Lower Receiver from Foxtrot Mike Products. This guide is designed to provide you with essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your intended use and complies with local laws and regulations.
- Always handle firearms and firearm components with care, following all safety protocols.
- Keep the MIKE102 Stripped Lower Receiver out of reach of children and unauthorized users.
- Inspect the product for any visible damage or defects before use. Do not use if damaged.
- Be aware of the potential hazards associated with firearms, including accidental discharge and improper handling.
- Always wear appropriate safety gear, such as eye and ear protection, when using firearms.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that all parts used with the MIKE102 Stripped Lower Receiver are compatible and meet MilSpec standards.
- Confirm that the firearm is unloaded and the safety is engaged before performing any modifications or maintenance.
- Avoid using the lower receiver with parts from manufacturers that are not verified for compatibility.
- Do not exceed the manufacturer's recommended specifications for ammunition and usage.
- Be mindful of the firearm's weight and balance, especially when adding accessories.
- Always follow the manufacturer's instructions for assembly and disassembly.
- Avoid using the firearm in adverse weather conditions that may affect performance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components for assembly.
- Ensure you are in a safe and secure environment to work on your firearm.

2. Installation of the MIKE102 Stripped Lower Receiver

- Align the lower receiver with the upper receiver, ensuring compatibility.
- Secure the two components using the appropriate pins and screws as specified in the manufacturer's instructions.
- Attach the integrated picatinny rail adapter to the rear of the lower receiver if not preinstalled.
- Ensure that all connections are tight and secure before proceeding.

3. Loading and Unloading

- Always point the firearm in a safe direction when loading or unloading.
- Check the magazine and chamber to ensure they are clear of ammunition before handling.
- Follow standard procedures for loading and unloading, ensuring the safety is engaged when not in

use.

4. Maintenance

- Regularly clean and inspect the lower receiver and all components for wear and damage.
- Use only recommended cleaning solutions and tools to avoid damaging the finish or functionality.
- Store the firearm in a secure location when not in use.

Disposal Instructions

- Dispose of any damaged or nonfunctional components in accordance with local regulations.
- Ensure that all parts are rendered unusable before disposal to prevent misuse.
- Recycle materials where applicable, following local recycling guidelines.

Contact Information for Further Support

For inquiries regarding safety, compatibility, or product support, please refer to the manufacturer's website or contact their customer service team. It is essential to have the product information ready for efficient assistance.

Thank you for prioritizing safety and for choosing Foxtrot Mike Products. Enjoy your MIKE102 Stripped Lower Receiver responsibly.
