Safety Instruction Guide for AR15 GEN 2 Magazine with Coupler

Introduction

Thank you for choosing the AR15 GEN 2 Magazine with Coupler from Elite Tactical Systems Group. This safety instruction guide is designed to ensure the safe use and handling of your magazine. Please read this guide carefully before use to understand how to operate your magazine safely and effectively.

General Safety Guidelines

- Always treat every magazine as if it is loaded.
- Store the magazine in a safe place, out of reach of children and unauthorized users.
- Inspect the magazine before each use for any signs of damage or wear.
- Use only compatible ammunition as specified in the product description.
- Do not modify the magazine in any way.
- Follow all local laws and regulations regarding the use and storage of firearms and magazines.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is properly inserted into the firearm before use.
- Do not exceed the magazine's specified capacity of 30 rounds.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- When connecting multiple magazines using the builtin coupler, ensure they are securely attached before use.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

Instructions for Installation and Usage

1. Installation:

- To connect multiple magazines, align the coupler on each magazine.
- Press down firmly until you hear a click, indicating that the magazines are securely connected.
- Ensure that the connection is stable before use.

2. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Insert the ammunition into the magazine, ensuring that the rounds are seated properly.
- Do not exceed the magazine's capacity of 30 rounds.

3. Using the Magazine:

- Insert the loaded magazine into the firearm's magazine well.
- Ensure that the magazine is fully seated and locked in place.
- Follow the manufacturer's instructions for your specific firearm regarding operation and safety.

4. Disassembly for Maintenance:

- To disassemble the magazine, press the specially designed floor plate to release it.
- Remove the follower and clean the interior of the magazine as needed.
- Reassemble the magazine by reversing the disassembly steps.

5. Using the Dust Cover:

- Attach the clipon dust cover when the magazine is not in use to prevent dirt and debris from entering the magazine.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding the disposal of firearms accessories.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details available on their official website or product packaging.

This safety instruction guide is intended to provide essential information for the safe use of the AR15 GEN 2 Magazine with Coupler. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
