

ZERMATT ARMS PRE-FIT CARBON FIBER 7 PRC RIFLE BARRELS - ZERMATT ORIGIN/SOLUS PRE-FIT 7 CARBON FIBER PRC 22" 1-8

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. Proof's patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by our advanced composites division, PROOF Research ACD. The carbon fibers we use have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: ZERMATT ORIGIN/SOLUS PRE-FIT 7 CARBON FIBER PRC 22" 1-8
- Manufacturer: PROOF RESEARCH
- Product no.: 430105106
- Mfr. No.: 136645
- Barrel Weight: 3 lbs
- Cartridge: 7mm PRC
- Contour: Sendero
- Finish: Carbon Fiber
- Length: 22"
- Make: Bighorn
- Model: Origin
- Muzzle Threads: 5/8-24
- Twist: 1-8
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068136645

Item details

Made in USA

US export classification: 0A501.c

ZERMATT ARMS PREFIT CARBON FIBER 7 PRC RIFLE BARRELS Safety Instruction Guide

Introduction

Thank you for choosing the Zermatt Arms PreFit Carbon Fiber 7 PRC Rifle Barrels. This guide provides essential safety instructions and information to ensure the safe and effective use of your new rifle barrel. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Ensure proper training and familiarity with firearms before use.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when shooting.
- Regularly inspect your rifle barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Installation:** Ensure that the barrel is installed by a qualified gunsmith to prevent improper fitting or potential hazards.
- **Ammunition:** Use only the recommended 7mm PRC cartridges with this barrel. Using incorrect ammunition can lead to malfunction or injury.
- **Firing:** Do not exceed the recommended rate of fire. Allow the barrel to cool between sessions to prevent overheating.
- **Heat Management:** Be aware that carbon fiber technology allows for efficient heat dissipation, but prolonged use may still lead to high temperatures. Always allow the barrel to cool before handling.
- **Cleaning:** Follow the manufacturer's recommendations for cleaning and maintenance to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Consult a qualified gunsmith for installation.
- Ensure that all tools and equipment are in good condition.
- Follow the gunsmith's instructions carefully for proper fitting.

2. Usage:

- Before firing, check that the barrel is securely attached and that all components are functioning correctly.
- Use the rifle in a safe environment, free from obstructions and with a proper backstop.
- Always aim in a safe direction and be aware of your surroundings.

3. PostUsage:

- After use, clean the barrel according to the manufacturer's recommendations.
- Store the rifle securely and ensure it is unloaded.

Disposal Instructions

- Dispose of any damaged or worn components responsibly.
- Follow local regulations for the disposal of firearms and their components.
- If you need assistance with disposal, consult a local firearms dealer or gunsmith.

Contact Information for Further Support

For questions regarding safety, usage, or maintenance, please consult a qualified gunsmith or your local firearms dealer.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Zermatt Arms PreFit Carbon Fiber 7 PRC Rifle Barrel. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.

Brukerveiledning for ZERMATT ARMS PREFIT CARBON FIBER 7 PRC RIFLE BARRELS

Introduksjon

Takk for at du valgte ZERMATT ARMS PREFIT CARBON FIBER 7 PRC RIFLE BARRELS. Dette produktet er designet for å gi høy ytelse, lett vekt og holdbarhet. For å sikre en trygg og effektiv bruk, vennligst les og følg disse sikkerhetsinstruksjonene nøye.

Generelle sikkerhetsretningslinjer

- Sørg for at alle brukere av produktet er kjent med sikkerhetsprosedyrer for skytevåpen.
- Oppbevar produktet utilgjengelig for barn og andre uautoriserte personer.
- Bruk alltid beskyttelsesutstyr som øre og øyevern under bruk.
- Kontroller produktet for skader før hver bruk. Ikke bruk det hvis du oppdager noen skader.
- Følg alltid lokale lover og forskrifter angående bruk og oppbevaring av skytevåpen.

Spesifikke sikkerhetstiltak for bruk

- Bruk kun ammunisjon som er kompatibel med 7mm PRC kaliber.
- Unngå å peke løpet mot deg selv eller andre, selv når det er tomt.
- Hold fingeren unna avtrekkeren inntil du er klar til å skyte.
- Sørg for at løpet er rent og fritt for hindringer før bruk.
- Vær oppmerksom på omgivelsene når du bruker produktet, og sørg for at det ikke er personer eller dyr i nærheten av skuddretningen.

Instruksjoner for installasjon og bruk

1. Montering av løpet:

- Sørg for at våpenet er helt avskrudd og tomt før du begynner.
- Fjern det gamle løpet ved å følge produsentens instruksjoner.
- Plasser det nye karbonfiber løpet fra ZERMATT ARMS i våpenets ramme.
- Stram til løpets festemekanismer forsiktig, men sikkert. Følg spesifikasjonene for momentdreiemoment fra produsenten.

2. Bruk:

- Last våpenet med passende ammunisjon.
- Plasser deg i en stabil skytestilling.
- Juster siktene etter behov før du begynner å skyte.
- Skyte alltid på en sikker og godkjent skytebane.

Avfallshåndtering

- Når løpet ikke lenger er i bruk, må det kasseres i henhold til lokale forskrifter for avfallshåndtering.
- Unngå å kaste løpet sammen med vanlig husholdningsavfall.
- Kontakt lokale avfallshåndteringsmyndigheter for riktig avfallshåndtering av metallprodukter.
