

MK 2 BUFFERS- MOD 1 - BRAVO COMPANY MK2 BUFFER MOD 1 - T4

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Lessens felt recoil, without compromising reliability. The BCMGINFIGHTER® MK2 MOD 1 Buffers provide a more consistent carrier velocity, which can aid in accuracy, reliability over conventional carbine buffer system. Increased internal counterweight travel reduces bolt bounce. Uses a M16A4 rifle spring with more spring coils than M4 carbine, increases consistency and widens operating envelope. Internal spring to reduce noise of counterweight shifting and ensure more consistent weight placement. Made of 7075T6 aluminum, hard coat anodized for lasting endurance. Comprised of Mil-Spec components.

T0- Intermediate Length- Weight 3.8oz	T1- Intermediate Length- Weight 4.7oz
T2- Intermediate Length- Weight 5.6oz	T3- Intermediate Length- Weight 6.5oz
T4- Intermediate Length- Weight 7.4oz	

BCM US Patent #10415907

IMPORTANT NOTE: MK2 MOD 1 buffer series is to ONLY be used on the AR15 receiver platform and it ONLY works in conjunction with the BCM MK2 Receiver Extension (BCM part #BCM-MK2-RE) and the Mil-Spec Rifle M16 Action Spring (BCM part # SPRING-RIFLE-M16-ACTION). To use any other component, not specifically developed to function with the MK2 MOD1 Intermediate Buffer can cause damage to the weapon and possibly injure the operator.

Attributes

- Name: [BRAVO COMPANY MK2 BUFFER MOD 1 - T4](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 430105173
- Mfr. No.: BCM-BFMK2-M1-T4
- Weapon type: AR-15
- Delivery weight: 0.454kg
- Shipping height: 38mm
- Shipping width: 83mm
- Shipping length: 178mm
- UPC: 812526023094

Item details

Made in USA

US export classification: 0A501.x

MK 2 Buffers Mod 1 Safety Instruction Guide

Introduction

Thank you for choosing the BCMGINFIGHTER® MK2 MOD 1 Buffers. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of the product. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the MK2 MOD 1 Buffers by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper use of the product.
- Keep this product out of reach of children and other vulnerable individuals.
- Regularly check for product recalls or safety updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- The MK2 MOD 1 Buffers are designed exclusively for the AR15 receiver platform.
- Use only in conjunction with the BCM MK2 Receiver Extension (BCM part #BCMMK2RE).
- Ensure compatibility with the MilSpec Rifle M16 Action Spring (BCM part # SPRINGRIFLEM16ACTION).
- Do not use any other components not specifically developed for the MK2 MOD 1 Intermediate Buffer, as this may cause damage to the weapon and could result in injury.
- Always verify that the buffer weight is appropriate for your specific application:
 - T0 Intermediate Length Weight 3.8oz
 - T1 Intermediate Length Weight 4.7oz
 - T2 Intermediate Length Weight 5.6oz
 - T3 Intermediate Length Weight 6.5oz
 - T4 Intermediate Length Weight 7.4oz

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and in a safe condition before beginning installation.
- Remove the existing buffer and buffer spring from the receiver extension.
- Install the BCM MK2 Receiver Extension (if not already installed).
- Insert the appropriate MK2 MOD 1 Buffer into the receiver extension.
- Install the MilSpec Rifle M16 Action Spring.
- Ensure all components are securely in place before proceeding.

2. Usage

- Familiarize yourself with the operation of your firearm.
- Regularly check the buffer and spring for wear and proper function.
- If you notice any unusual sounds or performance issues, cease use immediately and inspect the components.
- Follow all local laws and regulations regarding firearm use.

Disposal Instructions

- Dispose of the MK2 MOD 1 Buffers in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local disposal facilities for proper recycling or disposal options for aluminum components.

Contact Information for Further Support

- For any questions or concerns regarding the MK2 MOD 1 Buffers, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your BCMGINFIGHTER® MK2 MOD 1 Buffers. Always prioritize safety and responsible use.
