

LOWERS W/ MK2 RMS & MOD 0 SOPMOD STOCK - BRAVO COMPANY LOWER W/MK2RMS-M1T0 & STOCK MOD-0-SOPMOD BLK

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

Bravo Company introduces the BCMGUNFIGHTER™ Stock Assembly - Mod 0 - SOPMOD (Widebody). The strongest light-weight polymer stock available for your mil-spec receiver extension is here! More pronounced cheekweld (SOPMOD type) Snag free Design. No sharp edges prevent tangling of the rifle with the shooter's sling, molle gear, or other kit. Modular VBOOST (Vehicle Borne Operations Sling Tab) This tab interfaces with the shooter's riggers' band or bungee to secure the shooter's sling against the stock when the carbine is not in use. Increasingly, this is the most common application when operating inside a vehicle. 2 different types of ambidextrous sling mounting options, including QD swivel sockets. Simple modular design. 6 parts, and 1 screw allow for modular adaption of future stock options and configurations. Complete Kit Features: Lessens felt recoil, without compromising reliability Provides a more consistent carrier velocity, which can aid in accuracy, reliability over conventional carbine buffer system Increased internal counterweight travel reduces bolt bounce Internal spring to reduce noise of counter weight shifting and ensure more consistent weight placement Mil-Spec M16A4 rifle spring with more spring coils than M4 carbine, increases consistency and widens operating envelope Buffer made of 7075T6 aluminum; hard coat anodized for lasting endurance. Comprised of Mil-Spec components This kit contains all the necessary parts to mount to your Mil-Spec dimension stock assembly to your Mil-Spec lower receiver. Mil-Spec M16A4 rifle action spring Mk2 Receiver Extension (approximately 3/4" longer than carbine), 7076T6, 8 position, Mil-Spec diameter Lock Nut (Castle) M4 Receiver QD End Plate (include mount for QD swivel)

Safety Instruction Guide for BCMGUNFIGHTER™ Stock Assembly Mod 0 SOPMOD

Introduction

Thank you for choosing the BCMGUNFIGHTER™ Stock Assembly Mod 0 SOPMOD from Bravo Company. This guide provides essential safety instructions to ensure the safe use of your product. It is important to read and understand these guidelines before installation and usage.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with milspec receiver extensions. Ensure that you follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall notice is issued, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements to protect your rights as a consumer.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, it is important to have access to an EU-based contact point.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the manual thoroughly before using the stock assembly.
- **Check for Damage:** Inspect the stock assembly for any signs of damage or wear before installation. Do not use if damaged.
- **Proper Usage:** Use the stock assembly only with compatible milspec lower receivers. Ensure that all components are correctly installed.
- **Secure Sling:** Utilize the modular VBOST (Vehicle Borne Operations Sling Tab) to secure your sling properly when the carbine is not in use.
- **Avoid Sharp Edges:** The snag-free design helps prevent tangling. Always check for sharp edges that may cause injury.
- **Keep Away from Children:** This product is not intended for use by children. Store it out of reach to prevent accidents.
- **Follow Local Laws:** Ensure compliance with all local laws and regulations regarding firearm accessories.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools and components: BCMGUNFIGHTER™ Stock Assembly, Mk2 Receiver Extension, Lock Nut, and QD End Plate.
- Ensure your workspace is clean and free from distractions.
- Remove the existing stock from your milspec lower receiver.
- Attach the Mk2 Receiver Extension to the lower receiver, ensuring it is securely fastened.
- Install the BCMGUNFIGHTER™ Stock Assembly onto the receiver extension.
- Secure the stock using the Lock Nut and QD End Plate, ensuring they are tightened according to the manufacturer's specifications.

2. Usage Guidelines:

- Adjust the stock to your preferred length of pull.

- Always check that the stock is securely attached before use.
- Practice safe handling of your firearm at all times, following all firearm safety rules.

Disposal Instructions

- **Proper Disposal:** When disposing of the stock assembly or its components, follow local regulations for disposal of firearm accessories.
- **Environmental Considerations:** Do not dispose of the product in regular household waste. Consider recycling where possible.

Contact Information for Further Support

For any questions or concerns regarding the BCMGUNFIGHTER™ Stock Assembly Mod 0 SOPMOD, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for support.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and reliability of your BCMGUNFIGHTER™ Stock Assembly. Stay safe!
