

# TWL LARGE/LARGE FRAME - LONE WOLF DIST. TWL LARGE/LARGE TEXTURED FRAME BARE BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

When Lone Wolf first launched the original Timberwolf frame, one of the first questions was "when will it be available in .45 ACP or 10mm?" That time is now, because they've revamped and upgraded the design to bring you the Timberwolf Large. The first thing you'll notice is that the TWL fits in your hand like a much smaller pistol - in fact we measured the grip circumference of the most popular factory 9mm service pistol, and the Timberwolf Large was only .007" larger. That's only the width of a couple of human hairs, giving you real .45 ACP or 10mm firepower in a 9mm sized package. The grip length accept G20/G21 Gen3 and Gen4 slides, as well as G40 slides. The TWL uses G20/G21 magazines. When using a Gen4 slide you simply remove the installed adapter in the dust cover area of the frame. Using Gen3 slides you leave the adapter in place to fill the gap between the slide and dust cover. The Timberwolf Large is available in multiple configurations, all of which include the dust cover adapter, removable magazine well, and interchangeable backstraps. (TWL & TWF backstraps are interchangeable) No matter what your shooting goal is, the Timberwolf Large will fit your needs. Whether you want a gun for backwoods carry, a longslide for hunting, a slim and easy to carry .45 ACP for personal protection, or just want to build the coolest gun at the range, the Timberwolf Large can make your dreams come true. Years in the making, the Timberwolf Large is here. The frame game will never be the same. Assembled frames come with the following parts installed. If purchasing a bare frame with parts kit the same parts are used but not installed, if you are using your own parts please note most parts are GEN3 parts except the magazine catch and trigger housing which requires a GEN4 style part. Part Name TWL LWD Extended Slide Stop 3 Pin LWD-7496 LWD Ext Slide Lock Lever Black LWD-ESLL LWD Connector 3.5 lb LWD-342 LWD Trigger Spring 6 lb LWD-350-6 LWD Trigger Pin LWD-420 LWD Locking Block Pin LWD-4368 LWD Slide Lock Spring LWD-5446 LWD Locking Block LWD-1447 LWD Trigger Housing Pin (Black) LWD-427B LWD Universal Trigger Housing LWD-UTH-45 LWD Mag Catch Spring LWD-280 LWD Magazine Catch Reversible (Gen 4) LWD-8795 LWD Trigger Bar LWD-4417 LWD Polymer Trigger Shoe, Black (Standard, non adjustable) LWD-PolyShoe \*When swapping mag catch directions you must REMOVE the magazine catch spring, do NOT just pry the spring around the mag catch, frame damage will occur. \*Not compatible with G41 slides \*Does not work with SiderLock trigger safeties

# Timberwolf Large Frame Safety Instruction Guide

## Introduction

Thank you for choosing the Timberwolf Large Frame by Lone Wolf Dist. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of your product. Please read this document carefully to ensure your safety and the proper functioning of your firearm.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even when it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Always use the correct ammunition for your firearm.
- Wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Do not alter or modify your firearm without consulting a qualified gunsmith.
- Be aware of your surroundings and ensure you have a clear shot before firing.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the Timberwolf Large Frame is compatible with the intended parts and accessories before use.
- When using a Gen4 slide, remove the installed adapter in the dust cover area of the frame for proper fit.
- For Gen3 slides, keep the adapter in place to fill the gap between the slide and dust cover.
- When swapping the magazine catch directions, REMOVE the magazine catch spring to avoid damage to the frame.
- Do not use the Timberwolf Large Frame with G41 slides or SiderLock trigger safeties.
- Always check for recalls or safety notices related to your product on the EU's Safety Gate platform.

## Instructions for Installation and Usage

### 1. Installation of Parts:

- Ensure you have all necessary parts before beginning installation.
- If using your own parts, note that most are GEN3 parts, except the magazine catch and trigger housing, which require GEN4 style parts.
- Follow the specific installation instructions for each part, ensuring they are securely fitted.

### 2. Using the Timberwolf Large Frame:

- Grip the firearm firmly and ensure your finger is off the trigger until you are ready to shoot.
- Load the magazine into the magazine well and ensure it is securely in place.
- Check that the slide is functioning properly before firing.
- Always follow local laws and regulations regarding firearm use and ownership.

## Disposal Instructions

- Dispose of the Timberwolf Large Frame and any associated parts in accordance with local regulations regarding firearms and hazardous materials.
- Do not dispose of your firearm in regular household waste.
- Contact a local firearms dealer or law enforcement agency for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Timberwolf Large Frame, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your responsible handling of your Timberwolf Large Frame. Enjoy your shooting experience responsibly!
