

# BRASS WILDLIFE EDITION 45-70 GOVERNMENT LEVER ACTION RIFLE - BRASS WILDLIFE EDITION 45-70 GOVERNMENT 22" BBL 4 ROUND

[Firearms](#) > [Rifles](#) > [Lever Action](#)

Like their brass cousins, these steel-framed models acknowledge a long history of hunting, and the lever action's well-earned place in it for over 150 years. More subdued, with blued steel frames and furniture, they're also lighter in weight for long days on foot through dense brush and high mountain terrain. Steel weighs less than our hardened brass material, and the round barrels here also reduce weight for a trimmer hunting package that loses nothing in performance in the field. For added utility, we've also added our popular side loading gate and removable tube magazine configuration. The H009GWL in .30-30 sets off its straight-wristed walnut stock with checkering fore and aft, and replaces the brass buttplate with a black rubber recoil pad. On top, the frame is drilled & tapped for scope mounts, and the 20" barrel is fitted with a semi-buckhorn rear sight and brass bead front blade. Sling swivel studs and our centerfire in-hammer transfer bar make for convenient and safe carry with the hammer down on a loaded chamber, ready for cocking on a fast shot if you need one, with five rounds standing by in the magazine. The steel Wildlife .30-30 carries over the same engraving patterns of the brass version, with American vine, scroll, and braided borders surrounding a circular buck's head portrait in 24K gold relief on the right side behind the ejection port, and an oval-framed leaping buck on the left. Other sections are also accented in gold. The H010GWL in .45-70 is a trim powerhouse with its 18.43" barrel under semi-buckhorn rear and tall brass bead front sights. A checkered pistol grip walnut stock, sling swivel studs, and ventilated black rubber recoil pad fill out the package. Again sharing the .45-70 brass Wildlife Edition's engraving pattern, a 24K gold relief profile of a bear adorns the left side of the blued frame inside gold-accented scroll, line, and braided borders, with a gold relief image of a moose head on the right side. Built to bring home the bacon (or whatever your hunt takes you after), these special steel-framed Wildlife models are a cut above, and a point of pride.

## Attributes

- Name: [BRASS WILDLIFE EDITION 45-70 GOVERNMENT 22" BBL 4 ROUND](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 430105722

# **Safety Instruction Guide for BRASS WILDLIFE EDITION 4570 GOVERNMENT LEVER ACTION RIFLE**

## **Introduction**

Thank you for choosing the BRASS WILDLIFE EDITION 4570 GOVERNMENT LEVER ACTION RIFLE. This guide provides essential safety instructions to ensure safe handling, usage, and maintenance of your rifle. It is important to read and understand these instructions before using the product.

## **General Safety Guidelines**

- Always treat every firearm as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the rifle unloaded and in a locked location when not in use.
- Use only the recommended ammunition for your rifle.
- Wear appropriate eye and ear protection when shooting.
- Do not modify the rifle in any way that could affect its safety or performance.
- Always follow local laws and regulations regarding firearm usage and ownership.

## **Specific Safety Precautions for Use**

- Ensure the rifle is unloaded before cleaning or performing maintenance.
- Check the chamber and magazine to confirm they are clear of ammunition.
- Use the safety mechanism when the rifle is not in use.
- Avoid using the rifle in wet or damp conditions to prevent rust and corrosion.
- Do not use the rifle if it has been dropped or damaged until it has been inspected by a qualified gunsmith.
- Be mindful of the weight of the rifle and ensure you can handle it safely, especially when in rugged terrain.

## **Instructions for Installation and Usage**

### **Installation**

- Ensure you have a clean, dry workspace.
- If installing a scope, follow the manufacturer's instructions carefully.
- Use appropriate tools for any installation, ensuring not to damage the rifle.

### **Usage**

- Load the rifle according to the following steps:
  1. Open the side loading gate to access the magazine.
  2. Insert the cartridges into the magazine tube, ensuring they are properly aligned.
  3. Close the loading gate securely.
- To fire the rifle:
  1. Confirm the rifle is pointed in a safe direction.
  2. Engage the safety mechanism to the "off" position.
  3. Take aim at your target.
  4. Gently squeeze the trigger to fire.
- After firing, always reengage the safety mechanism.
- Unload the rifle when finished shooting:
  1. Open the loading gate.

2. Remove any remaining cartridges from the magazine.
3. Check the chamber to ensure it is empty.

## **Disposal Instructions**

- Dispose of the rifle in accordance with local laws and regulations.
- If the rifle is no longer usable, consider contacting a licensed firearms dealer for safe disposal.
- Do not dispose of ammunition in regular trash; follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of your BRASS WILDLIFE EDITION 4570 GOVERNMENT LEVER ACTION RIFLE, please refer to the manufacturer's contact details provided in the product documentation or packaging.

By adhering to these safety guidelines and precautions, you can ensure a safe and enjoyable experience with your rifle. Always prioritize safety and responsible usage when handling firearms.
