## Introduction

Thank you for choosing the SOLUS 6MM Creedmoor Short Action Barreled Receiver by Aero Precision. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of your product. Please read this manual carefully before use to promote a safe and enjoyable experience.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and firearm components with care, treating them as if they are loaded at all times.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Store the product in a secure location when not in use to prevent unauthorized access.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including eye protection and hearing protection, when handling or using the barreled receiver.
- **Firearm Compatibility:** Ensure that the barreled receiver is compatible with your firearm before installation. Consult the manufacturer's specifications if in doubt.
- **Ammunition:** Use only the recommended ammunition (6mm Creedmoor) specified for this product. Using incorrect ammunition can cause malfunctions or serious injury.
- **Environment:** Use the product in a controlled environment, free from distractions, and where it is safe to discharge a firearm.
- **Cleaning and Maintenance:** Follow the manufacturer's recommendations for cleaning and maintenance to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Before starting, ensure that the firearm is completely unloaded.
- Follow the manufacturer's instructions for mounting the barreled receiver onto the action.
- Ensure all screws and fasteners are tightened securely and that there are no loose components.
- Check that the bolt operates smoothly and that the barrel is properly aligned.

### 2. Usage:

- Always point the firearm in a safe direction when loading, unloading, or firing.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear backstop before firing.
- If a malfunction occurs, follow the appropriate clearing procedures and do not attempt to shoot again until the issue is resolved.
- After use, clean the barreled receiver according to the manufacturer's guidelines.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away firearm components in regular trash; instead, contact a licensed firearms dealer or local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further support regarding the SOLUS 6MM Creedmoor Short Action Barreled Receiver, please refer to the manufacturer's customer support resources or consult your local firearms expert.

By adhering to these safety instructions and guidelines, you will ensure a safe and effective experience with your SOLUS 6MM Creedmoor Short Action Barreled Receiver. Thank you for your attention to safety.
