[Firearms](#) > [Rifles](#) > [Bolt Action](#)

The SOLUS Hunter Rifle is built for serious hunters who demand precision in any environment. The heart of the rifle is the SOLUS Action and our fluted, honed, and lapped match-grade barrel. We dropped those into a carbon composite stock that provides hunters with a light enough system for the mountains but is still easy to shoot. Experience the apex of hunting precision with the SOLUS Hunter Rifle. Each Solus Complete Rifle carries a sub-MOA precision guarantee. # **SOLUS Hunter Short Action Bolt Action Rifle Safety Instruction Guide**

## **Introduction**

Thank you for choosing the SOLUS Hunter Short Action Bolt Action Rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of your rifle. Please read this manual carefully before handling the product to understand the necessary precautions and compliance with safety regulations.

## **General Safety Guidelines**

- Ensure that the rifle is always treated as if it is loaded.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Always use the rifle in a safe environment, free from obstructions and away from populated areas.
- Wear appropriate safety gear, including eye and ear protection, while using the rifle.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.
- Regularly check the rifle for any signs of wear or damage and ensure it is in proper working condition before use.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## **Specific Safety Precautions for Use**

- Only use the rifle for its intended purpose: hunting and sport shooting.
- Ensure that the ammunition used is appropriate for the rifle model and caliber (6.5 Creedmoor).
- Do not modify the rifle or its components without consulting a qualified gunsmith.
- Always keep the muzzle pointed in a safe direction, away from yourself and others.
- Engage the safety mechanism when not actively firing.
- Do not place your finger on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Do not shoot at hard surfaces or water, as ricochets may occur.
- If a misfire occurs, wait 30 seconds before attempting to clear the chamber.

## **Instructions for Installation and Usage**

### **Installation**

- Ensure the rifle is unloaded before any installation or adjustment.
- Follow the manufacturer's instructions for mounting any accessories, such as scopes or bipods.
- Ensure that the stock and barrel are securely attached and that all screws are tightened to prevent any movement during use.

### **Usage**

- Load the magazine with the appropriate ammunition (5 round capacity).
- Insert the magazine into the rifle until it clicks into place.
- To chamber a round, pull the bolt back fully and release it to allow the round to feed into the chamber.
- Always check the chamber to ensure it is clear before loading the rifle.
- When finished using the rifle, unload it completely and store it safely.

## **Disposal Instructions**

- Dispose of the rifle and its components in accordance with local laws and regulations regarding firearms.

- Ensure that all ammunition is disposed of safely and responsibly.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the SOLUS Hunter Short Action Bolt Action Rifle, please refer to the manufacturer or authorized dealers for assistance. Always ensure you have the latest safety updates and product information.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your SOLUS Hunter Short Action Bolt Action Rifle. Thank you for your commitment to safety and responsible firearm use.
