

# GUARDIAN OPTIC GUARD - RADIAN WEAPONS GUARDIAN OPTIC GUARD - TRIJICON RMR - GLOCK MOS

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, iron forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

## Attributes

# Safety Instruction Guide for GUARDIAN OPTIC GUARD TRIJICON RMR GLOCK MOS

## Introduction

Thank you for choosing the GUARDIAN Optic Mounting System by Radian Weapons. This product is designed to provide exceptional protection for your pistol red dot optic. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- When installing the GUARDIAN Optic Mounting System, ensure that the mounting screws are tightened securely to prevent any movement during use.
- Do not modify or alter the product in any way, as this may compromise its integrity and safety.
- Always check that the optic is properly seated and secured in the mount before use.
- Avoid exposing the product to extreme temperatures or harsh environmental conditions that may affect its performance.
- If you notice any corrosion or damage to the mounting threads, discontinue use and contact support for assistance.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure that your Glock MOS is clean and free from debris.
- Align the GUARDIAN Optic Mounting System with the mounting plates on your Glock MOS.
- Insert the preinstalled Orings on the mounting screws into the corresponding holes on the slide.
- Using a suitable tool, tighten the screws securely but do not overtighten, as this may cause damage.
- If using optional backup sights, install them according to the manufacturer's instructions.

### 2. Usage Instructions:

- After installation, perform a function check to ensure that the optic is securely mounted and properly aligned.
- When using your firearm, always follow safe handling practices and ensure that the optic is in good working condition.
- Regularly clean and maintain the optic and mounting system to ensure optimal performance.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling materials where possible.

## **Contact Information for Further Support**

For any inquiries or support regarding the GUARDIAN Optic Mounting System, please refer to the manufacturer's contact details provided with your purchase.

Thank you for choosing Radian Weapons. Your safety and satisfaction are our top priorities.
