

SIG SAUER CROSS PRE-FIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL - SIG CROSS PRE-FIT DROP IN CARBON FIBER 6.5 CREEDMOOR 16" BBL

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. The patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by their advanced composites division, PROOF Research ACD. The carbon fibers used have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: SIG CROSS PRE-FIT DROP IN CARBON FIBER 6.5 CREEDMOOR 16" BBL
- Manufacturer: PROOF RESEARCH
- Product no.: 430106632
- Mfr. No.: 134504
- Cartridge: 6.5 Creedmoor
- Finish: Carbon Fiber
- Length: 16"
- Make: Sig Sauer
- Model: Cross
- Muzzle Threads: 5/8-24
- Twist: 1-8
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068132504

Item details

Made in USA

US export classification: 0A501.c

SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL Safety Instruction Guide

Introduction

Thank you for choosing the SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL. This guide provides essential safety information to ensure the safe and effective use of your new rifle barrel. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm components with care and respect.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or replacing the barrel.
- Verify that the barrel is compatible with your firearm model before installation.
- Do not exceed the recommended caliber specifications for your rifle.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the barrel if it shows signs of damage or if it has been modified in any way.
- Regularly clean and maintain the barrel to ensure optimal performance and safety.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., wrench, torque specifications).

2. Remove the Existing Barrel:

- Follow the manufacturer's instructions for your specific firearm model to safely remove the existing barrel.

3. Inspect the New Barrel:

- Check the SIG SAUER CROSS PREFIT DROPIN CARBON FIBER BARREL for any visible damage or defects.

4. Install the New Barrel:

- Align the new barrel with the receiver of your firearm.
- Securely fasten the barrel according to the manufacturer's torque specifications.
- Ensure that the muzzle threads are properly aligned.

5. Final Check:

- Once installed, doublecheck that all components are secure and that there is no movement in the barrel.

Usage Instructions

- Before firing, ensure that the firearm is clean and free of obstructions.
- Always follow proper shooting techniques and safety protocols.
- Monitor the barrel for any signs of overheating during extended use.
- Allow the barrel to cool down between shooting sessions to maintain performance.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations and guidelines for hazardous materials.
- If the product is damaged or no longer functional, consider recycling options where available.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and compliance while using your SIG SAUER CROSS PREFIT DROPIN CARBON FIBER BARREL. Your adherence to these guidelines ensures a safer experience for you and those around you.

Bruerveiledning for SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL

Introduksjon

Takk for at du valgte SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL fra PROOF RESEARCH. Denne veiledningen gir viktig informasjon om sikker bruk, installasjon, og vedlikehold av produktet. Vennligst les nøye gjennom alle seksjoner for å sikre trygghet og optimal ytelse.

Generelle sikkerhetsretningslinjer

- Følg alltid produsentens instruksjoner for sikker bruk.
- Bruk alltid personlig verneutstyr, inkludert vernebriller og hørselsvern, når du håndterer våpen.
- Oppbevar alltid våpen og tilbehør utilgjengelig for barn og uautoriserte personer.
- Kontroller alltid at våpenet er sikkert og tomt før du håndterer det.
- Vær oppmerksom på lokale lover og forskrifter angående våpenbesittelse og bruk.

Spesifikke sikkerhetstiltak for bruk

- Unngå å bruke rifleløpet med ammunisjon som ikke er spesifisert for 6.5 Creedmoor.
- Sjekk alltid for skader eller slitasje på løpet før bruk.
- Sørg for at løpet er korrekt installert og festet før skyting.
- Unngå å bruke løpet i ekstreme temperaturer eller under forhold som kan påvirke ytelsen.
- Vær oppmerksom på omgivelsene når du skyter, og unngå å rette løpet mot mennesker eller eiendom.

Instruksjoner for installasjon og bruk

1. Forberedelse

- Kontroller at alle deler er til stede og i god stand.
- Les alle produsentens instruksjoner før installasjon.

2. Installasjon

- Fjern det eksisterende løpet fra riflen i henhold til produsentens instruksjoner.
- Plasser det nye karbonfiberløpet i riflen, og sørg for at det sitter ordentlig.
- Fest løpet med de medfølgende festemidler, og stram dem i henhold til spesifikasjonene.

3. Bruk

- Last riflen med 6.5 Creedmoorammunisjon.
- Test skyting på en sikker og godkjent skytebane.
- Overvåk løpet for tegn på overoppheting eller slitasje under bruk.

Avfallshåndtering

- Følg lokale retningslinjer for avfallshåndtering når du kvitter deg med emballasje og eventuelle ubrukte deler.
- Sørg for at alle farlige materialer, som olje eller smøremidler, blir kastet på en miljøvennlig måte.

Kontaktinformasjon for videre støtte

- For spørsmål eller bekymringer angående sikkerhet, ytelse eller vedlikehold av produktet, vennligst kontakt produsenten direkte via deres offisielle kanaler.

Viktig informasjon

- Rapportere om usikre produkter og ulykker til de relevante myndighetene.
- Sjekk for tilbakekallingsoppdateringer på EU's Safety Gateplattform.

Ved å følge disse retningslinjene sikrer du trygg bruk av ditt SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL. Takk for at du bidrar til en tryggere skyteopplevelse.
