

SIG SAUER CROSS PRE-FIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL - SIG CROSS PRE-FIT DROP IN CARBON FIBER 6.5 CREEDMOOR 18" BBL

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. The patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by their advanced composites division, PROOF Research ACD. The carbon fibers used have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: SIG CROSS PRE-FIT DROP IN CARBON FIBER 6.5 CREEDMOOR 18" BBL
- Manufacturer: PROOF RESEARCH
- Product no.: 430106633
- Mfr. No.: 134511
- Cartridge: 6.5 Creedmoor
- Finish: Carbon Fiber
- Length: 18"
- Make: Sig Sauer
- Model: Cross
- Muzzle Threads: 5/8-24
- Twist: 1-8
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068134511

Item details

Made in USA

US export classification: 0A501.c

Safety Instruction Guide for SIG SAUER CROSS PreFit DropIn Carbon Fiber 6.5 Creedmoor Barrel

Introduction

Thank you for choosing the SIG SAUER CROSS PreFit DropIn Carbon Fiber 6.5 Creedmoor Barrel. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

To ensure safety while using the SIG SAUER CROSS Barrel, follow these guidelines:

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when handling or using this product.
- Use only compatible firearms with the specified barrel to prevent accidents and injuries.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a clear firing lane before discharging a firearm.

Specific Safety Precautions for Use

When using the SIG SAUER CROSS Barrel, please observe the following safety precautions:

- Verify that the barrel is properly installed and secured before use.
- Avoid using ammunition that exceeds the specifications for the barrel.
- Do not attempt to modify or alter the barrel in any way.
- Be cautious of overheating; allow the barrel to cool down between uses to maintain performance and safety.
- If you experience any malfunctions or irregularities during use, cease operation immediately and inspect the barrel.

Instructions for Installation and Usage

Follow these steps for the safe installation and usage of your SIG SAUER CROSS Barrel:

Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing barrel from the firearm according to the manufacturer's instructions.
3. Clean the barrel extension and receiver to remove any debris or residue.
4. Align the new SIG SAUER CROSS Barrel with the receiver, ensuring proper fit.
5. Secure the barrel in place according to the manufacturer's specifications.
6. Perform a function check to ensure proper installation before use.

Usage

1. Load the firearm only when you are ready to shoot.
2. Always check the barrel for obstructions before loading.
3. Use the firearm in a well-ventilated area and follow all local laws and regulations regarding firearm usage.
4. After use, clean the barrel thoroughly to maintain its performance and longevity.

Disposal Instructions

When disposing of the SIG SAUER CROSS Barrel, please follow these guidelines:

- Do not dispose of the barrel in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.
- Ensure that the barrel is rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER CROSS Barrel, please consult the manufacturer's website or customer service for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SIG SAUER CROSS PreFit DropIn Carbon Fiber 6.5 Creedmoor Barrel. Always prioritize safety and responsibility when handling firearms.

SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL Safety Instructions

Introduksjon

Takk for at du valgte SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL fra PROOF Research. Denne veiledningen inneholder viktige sikkerhetsinstruksjoner og retningslinjer for trygg bruk av produktet. Vennligst les og forstå all informasjonen nøye før du bruker produktet.

Generelle sikkerhetsretningslinjer

- Sørg for at produktet er kompatibelt med ditt våpen før installasjon.
- Oppbevar alltid produktet utilgjengelig for barn og uautoriserte personer.
- Les og følg alltid produsentens instruksjoner for sikker bruk.
- Bruk alltid beskyttelsesutstyr som passende øye og hørselvern under skyting.
- Unngå å bruke produktet i våte eller fuktige forhold for å forhindre korrosjon og skade.
- Rapportere eventuelle ulykker eller farlige situasjoner til relevante myndigheter.

Spesifikke sikkerhetsforholdsregler ved bruk

- Kontroller alltid at løpet er tomt før du håndterer det.
- Unngå å bruke løpet med ammunisjon som ikke er spesifisert for dette produktet.
- Sørg for at løpet er riktig installert før du bruker våpenet.
- Unngå å overbelaste løpet ved å bruke høyere trykk eller uegnet ammunisjon.
- Unngå å berøre løpet umiddelbart etter skyting, da det kan være ekstremt varmt.
- Hold løpet rent og godt vedlikeholdt for å sikre optimal ytelse.

Instruksjoner for installasjon og bruk

1. Forberedelse:

- Sørg for at våpenet er sikkert og tomt.
- Samle nødvendig verktøy for installasjon.

2. Installasjon:

- Fjern det gamle løpet fra våpenet i henhold til produsentens instruksjoner.
- Plasser det nye karbonfiber løpet på plass og sørg for at det sitter godt.
- Stram alle festemidler i henhold til spesifikasjonene for ditt våpen.

3. Bruk:

- Kontroller at løpet er sikkert festet før hver skyting.
- Følg alle sikkerhetsprosedyrer for skyting.
- Observer nøye for eventuelle tegn på slitasje eller skade etter bruk.

Avfallshåndteringsinstruksjoner

- Følg lokale forskrifter for avhending av metall og komposittmaterialer.
- Unngå å kaste produktet i vanlig husholdningsavfall.
- Kontakt lokale resirkuleringssentraler for informasjon om korrekt avhending.

Kontaktinformasjon for videre støtte

For spørsmål eller bekymringer angående sikkerheten til dette produktet, vennligst kontakt produsenten direkte. Det er viktig å ha tilgang til nødvendig støtte for å sikre trygg bruk av produktet.

Vennligst husk at sikkerheten alltid er av største betydning. Følg disse instruksjonene nøye for å sikre en trygg og effektiv opplevelse med ditt SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL.
