

SIG SAUER CROSS PRE-FIT DROPIN CARBON FIBER 6.5 CREEDMOOR BARREL - PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 6.5 CREEDMOOR 18" BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. The patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by their advanced composites division, PROOF Research ACD. The carbon fibers used have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: [PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 6.5 CREEDMOOR 18" BBL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 430106633
- Mfr. No.: 134511
- Cartridge: 6.5 Creedmoor
- Finish: Carbon Fiber
- Length: 18"
- Model: Cross
- Muzzle Threads: 5/8-24
- Twist: 1-8
- Weapon type: Sig Sauer
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068134511

Item details

Made in USA

US export classification: 0A501.c

Safety Instruction Guide for SIG SAUER CROSS PreFit DropIn Carbon Fiber 6.5 Creedmoor Barrel

Introduction

Thank you for choosing the SIG SAUER CROSS PreFit DropIn Carbon Fiber 6.5 Creedmoor Barrel. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the barrel to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the barrel for damage or wear before each use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended cartridge specifications for this barrel.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the firearm is unloaded when installing or removing the barrel.
- Avoid handling the firearm in wet or damp conditions to prevent corrosion.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a torque wrench.

2. Barrel Installation

- Remove the existing barrel from your SIG SAUER CROSS rifle.
- Align the new carbon fiber barrel with the receiver.
- Securely fasten the barrel using the appropriate torque specifications provided by the manufacturer.

3. Final Checks

- Inspect the installation to ensure it is tight and secure.
- Check for any signs of misalignment or damage.

Usage

- Load the firearm only when ready to shoot.
- Follow all local laws and regulations regarding firearm usage.
- Maintain a proper shooting stance and grip on the firearm.
- After each shooting session, clean the barrel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations concerning firearms and related materials.
- If the product is damaged or no longer usable, contact your local waste management authority for guidance on safe disposal.

Contact Information for Further Support

For any safety inquiries or support, please consult your local SIG SAUER representative or authorized dealer. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are of utmost importance. Enjoy your shooting experience with the SIG SAUER CROSS PreFit DropIn Carbon Fiber 6.5 Creedmoor Barrel.
