

# TORRENT LIGHT MOUNT - CLOUD DEFENSIVE TORRENT AFRICA OFFSET LIGHT MOUNT M-LOK BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Accessory Mounts](#)

The Cloud Defensive "Torrent series". Manufactured for us by Impact Weapons Components. The best, most versatile and strongest light mounts in the industry, at the best price. Depending on your needs, Cloud Defensive is confident they have a mounting option for you. Compatibility All Torrent mounts work with the Cloud Defensive REIN1.0/2.0/3.0 and REIN Micro 1.0/2.0/3.0 Works with all Surefire® M300 & M600 Scout lights® \*\*Except M600 AA\*\* Works with Streamlight® Protac Rail Mount 1, Rail Mount 2 and HL-X \*\*Except the Torrent Inline Mounts. These only work with the Rail Mount 1 and Rail Mount 2. NOT THE HL-X\*\* Works with most other replacement light bodies that use the Scout Light® mounts style. Durability CNC machined from Certified 6061-T6 billet aluminum Mil-Spec Type III Hardcoat anodized finish (black anodized per mil-spec mil-a-8652) Light Mount Features Torrent AFR M-Lok® The Torrent Africa mount is a specialized solution developed by Cloud Defensive and Impact Weapons Components at the request of Eco Defense Group and the Park Rangers of Kruger National Park in South Africa. It is a specialized offset mount that plays nicely with their FAL handguards. It also works great for the SCAR, MCX, MPX, AK, Scorpion and pretty much any other non-AR platform. The Torrent Africa mount also works great for AR rifles that incorporate a BE Meyers MAWL. The user can mount the Torrent Africa at the 430PM position on the rail and roll their weapon mounted light nicely underneath that MAWL. WEIGHT 0.600 Torrent Inline M-LOK® \*\*For Use With M-LOK® Rails\*\* Directly attaches to any M-LOK® compliant rail surface Ambidextrous with 7 total mounting solutions on 7 sided M-LOK® rail system 4 light mounting positions provide .265" of lateral adjustment Forward mounting design is low profile, lightweight and does not impede weapons manipulation Mount does not interfere with the operation of front back-up iron sights The Torrent Inline light mount is a very traditional mount which acts as a direct mounting option for your light. Instead of requiring a rail section to be added to you M-LOK® rail, you can use this mount. To provide the highest level of supporting structure, this mount should be attached in a way that it does not have any portion hanging off the rail. If it hangs off the rail, it does run a risk of being bent under pressure. The Inline mount plays well with most IR devices including the B.E. Meyers MAWL, L3 PEQ-15, L3 NGAL, Steiner DBAL and many others. WEIGHT 0.711 oz. Torrent Offset M-LOK® \*\*For Use With M-LOK® Rails\*\* 6 light mounting positions provide .626" of lateral adjustment to clear all laser aiming devices Positions the light as close to the firearm bore or APITAL as possible Offset mount positions light at optimized 45 degree angle for ergonomic activation Ambidextrous with 6 total mounting solutions on 3 sided M-LOK® rail system Low profile, lightweight and does not impede weapons manipulation Light mount does not interfere with the operation of front back-up iron sights The Torrent Offset M-LOK® mount is one of the strongest mounts that Cloud Defensive offer. This mount is normally attached to the rail at the 3 O'clock or 9 O'clock position and holds the light around the 1:30 and 10:30 positions, respectively. There are unique mounting options with this that make it a possibility for use with the previously mentioned IR devices as well. WEIGHT 0.653 oz Torrent SBR Picatinny Light Mount \*\*For Use With 1913 Picatinny Rails\*\* 3 light mounting positions provide .250" of lateral adjustment Cantilevered mounting design shifts light forward of mount, increasing usable rail space. Light offset optimized at a 45 degree offset for

ergonomic activation Ambidextrous with 8 total mounting solutions on 4 sided 1913 picatinny rail system Low profile, lightweight and does not impede weapons manipulation Positions the light as close to the firearm as possible Mount does not interfere with the operation of front back-up iron sights The Torrent SBR Picatinny Rail Light Mount is designed to push the light body forward and in fact uses the same body attachment style as the SBR M-LOK® but mounts to Picatinny instead of M-LOK®. Because of that, it provides the user with the ability to mount the light tighter to the rail on a Quad rail setup. You can run this mount on the top rail, hanging to the left or right of the rail. You can also run this on either side rail pushing the light up and in towards the barrel. WEIGHT 1.011 oz."

## Attributes

- Name: [CLOUD DEFENSIVE TORRENT AFRICA OFFSET LIGHT MOUNT M-LOK BLACK](#)
- Manufacturer: [CLOUD DEFENSIVE](#)
- Product no.: 430107167
- Mfr. No.: TOR-AFRMLOK-BLK
- Finish: Black
- Style: M-LOK
- Delivery weight: 0.454kg
- Shipping height: 25mm
- Shipping width: 76mm
- Shipping length: 25mm
- UPC: 850038300005

# Safety Instruction Guide for TORRENT LIGHT MOUNT CLOUD DEFENSIVE TORRENT AFRICA OFFSET LIGHT MOUNT MLOK BLACK

## Introduction

Thank you for choosing the TORRENT LIGHT MOUNT CLOUD DEFENSIVE TORRENT AFRICA OFFSET LIGHT MOUNT MLOK BLACK. This guide provides important safety information, installation instructions, and usage tips to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used only as intended and according to the manufacturer's instructions.
- Regularly inspect the light mount for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the light mount if it appears damaged or if any components are missing.
- Ensure that the light mount is securely attached to the firearm before use.
- Be aware of your surroundings and ensure a safe environment when using the product.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded when attaching or adjusting the light mount.
- Do not exceed the weight limit of the light mount as specified by the manufacturer.
- Ensure that the light does not obstruct your view or interfere with the operation of the firearm.
- Be cautious of the heat generated by the light during prolonged use; allow it to cool before handling.
- Avoid using the light mount in extreme weather conditions unless specified by the manufacturer.

## Instructions for Installation and Usage

### Installation

1. **Select the Appropriate Rail:** Ensure you are using a compatible MLOK® or Picatinny rail.
2. **Position the Mount:** Decide on the optimal position for the light mount based on your firearm's configuration.
3. **Attach the Mount:**
  - For MLOK® Rails:
    - Align the mount with the MLOK® slots.
    - Securely fasten using the provided hardware.
  - For Picatinny Rails:
    - Align the mount with the desired slot.
    - Use the screws to securely attach the mount.
4. **Check Security:** After installation, verify that the mount is firmly attached and does not wobble.

### Usage

- **Mounting the Light:** Follow the manufacturer's instructions to attach your light to the mount.
- **Adjusting the Position:** If applicable, adjust the light's position for optimal visibility and accessibility.
- **Testing:** Before operational use, test the functionality of the light to ensure it works correctly.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for electronic waste.

- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the TORRENT LIGHT MOUNT CLOUD DEFENSIVE TORRENT AFRICA OFFSET LIGHT MOUNT MLOK BLACK, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and effective experience with your TORRENT LIGHT MOUNT. Always prioritize safety and compliance with local regulations when using firearm accessories. Thank you for your attention to these important safety instructions.
