

GUARDIAN + SIX BUS COMBO - RADIAN WEAPONS GUARDIAN + SIX BUS - HOLOSUN 407/507 - GLOCK MOS - BLACK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

GUARDIAN™ OPTIC MOUNT & GUARD The GUARDIAN is the strongest optic mounting system on the market. TRU-SEAL™ eliminates the need for an added sealing plate. O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads. Our STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. SIX™ BACK-UP SIGHTS SIX™ back-up sights (BUS) seamlessly integrate into the Guardian Optic Mounting System providing rapid, reliable, and precise target acquisition in scenarios of red dot optic malfunction. Featuring anti-glare, anti-snap and ultra low co-witness design, SIX™ sights lie inconspicuously in wait until you need to deploy them. Like a wingman when things aren't going as planned, SIX™ has your six. MATERIALS 7075 Aluminum Type III Hard Anodized Guard/Plate Custom Machined SS Fasteners with Oversized Torx Sockets INCLUDES 2 - Plate Mounting Screws 2 - TRU-SEAL™ O-Rings 2 - STUD-LOK™ Studs 2 - STUD-LOK™ Self-Locking Sleeve Nuts

Safety Instruction Guide for GUARDIAN + SIX BUS COMBO

Introduction

Thank you for choosing the GUARDIAN + SIX BUS COMBO. This product is designed to enhance your shooting experience by providing a secure and reliable optic mounting system. It is essential to follow these safety instructions to ensure safe use and to maximize the product's performance.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product regularly for any signs of wear or damage.
- Avoid using the product in conditions that exceed its specified limits.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Optic Mounting:** Ensure that the GUARDIAN optic mount is securely attached before use. Loose fittings can lead to malfunction or injury.
- **Moisture Protection:** The TRUSEAL technology is designed to keep moisture out. However, ensure that the seals are intact before use in wet conditions.
- **Thread Engagement:** Make sure that the STUDLOK threaded stud/nut interface is properly engaged to prevent accidental detachment.
- **BackUp Sights:** Familiarize yourself with the deployment of the SIX backup sights to ensure quick access in case of optic failure.
- **Age Restrictions:** This product is intended for adult users. Keep it away from children and individuals who may not understand its operation.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have the necessary tools, including a Torx screwdriver, before beginning installation.
2. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
3. **Attach the GUARDIAN Mount:**
 - Align the GUARDIAN mount with the slide of the firearm.
 - Insert the provided plate mounting screws through the mount into the firearm slide.
 - Use the Torx screwdriver to tighten the screws while ensuring not to overtighten.
4. **Install TRUSEAL ORings:** Place the TRUSEAL Orings onto the mounting screws to ensure a watertight seal.
5. **Secure the STUDLOK Interface:**
 - Insert the STUDLOK studs into the designated holes.
 - Attach the selflocking sleeve nuts and tighten securely.

Usage

- **Regular Checks:** Before each use, check the tightness of the mounting screws and the integrity of the seals.
- **Deploying BackUp Sights:** If the primary optic fails, quickly access the SIX backup sights by flipping them up into position.

- **Cleaning:** Clean the GUARDIAN mount and sights with a soft cloth. Avoid using abrasive materials that may scratch the surfaces.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods for aluminum and electronic components.
