

S.M.A.L. SINGLE M-LOK ARCALOCK RAIL - AREA 419 S.M.A.L. SINGLE M-LOK ARCALOCK RAIL BLACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

It's not about the size, ok? The S.M.A.L. is for those mounting situations where you need a compact mounting footprint on the bottom of a rangefinder, binos, spotter, SBR, etc. With MLOK mounting points (and hardware) and a center 1/4-20 mounting point (again, hardware included) this will be a versatile mounting point for those items that don't need a longer rail. This item is milled, in America, from 6061-T6 aluminum and black hardcoat anodized.

Attributes

- Name: [AREA 419 S.M.A.L. SINGLE M-LOK ARCALOCK RAIL BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107274

Safety Instruction Guide for S.M.A.L. SINGLE MLOK ARCALOCK RAIL

Introduction

Thank you for choosing the S.M.A.L. SINGLE MLOK ARCALOCK RAIL by AREA 419. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific mounting needs.
- Always follow the installation instructions provided in this guide.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the recommended hardware for mounting.
- Do not exceed the weight limit specified for the rail.
- Ensure that the mounting surface is clean and free from debris before installation.
- Avoid using the rail in conditions that may cause undue stress or damage.
- Be cautious when handling sharp edges or tools during installation.
- Do not modify the rail or its components in any way.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and hardware for installation.
- Ensure you have a clean, flat workspace.

2. Installation Steps:

- Identify the MLOK mounting points on your device (e.g., rangefinder, binos, spotter).
- Align the S.M.A.L. rail with the mounting points.
- Insert the provided hardware into the MLOK slots and tighten securely.
- For the center 1/420 mounting point, align the rail and insert the provided screw. Tighten securely.
- Doublecheck all connections to ensure they are firm and stable.

3. Usage Tips:

- Regularly check the tightness of the rail after installation, especially after heavy use.
- If you notice any movement or looseness, stop using the product immediately and recheck the installation.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle materials where possible, particularly aluminum components.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries or support regarding the S.M.A.L. SINGLE MLOK ARCALOCK RAIL, please refer to the manufacturer's contact resources. Ensure that all safety guidelines are followed to maintain compliance with the EU General Product Safety Regulation.

Thank you for your attention to these safety instructions. Enjoy the versatility and convenience of your new S.M.A.L. rail!
