Safety Instruction Guide for the Diving Board for Tactical OnePiece Scope Mount

Introduction

Thank you for choosing the Diving Board for Tactical OnePiece Scope Mount by AREA 419. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation or use.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always inspect the diving board and the scope mount for any signs of damage before each use.
- Use the product only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

Specific Safety Precautions for Use

- Always secure the diving board properly to prevent it from detaching during use.
- Avoid exceeding the weight limit specified by the manufacturer.
- Do not use the diving board in adverse weather conditions (e.g., heavy rain, snow, or strong winds).
- Ensure that the mounting screws are tightened appropriately before use.
- Never modify the diving board or scope mount in any way that could compromise safety.

Instructions for Installation and Usage

Installation

1. Prepare the Area:

- Ensure that the installation area is clean and free of debris.
- Gather all necessary tools, including a compatible wrench for tightening screws.

2. Mounting the Diving Board:

- Locate the patent pending dual taper mounting point on the top of the scope cap.
- Align the diving board with the mounting point and insert the captive mounting screws.
- Tighten the screws securely using the wrench, ensuring a firm attachment.

3. Final Checks:

- After installation, doublecheck that the diving board is securely mounted.
- Ensure that there are no loose parts or visible damage.

Usage

- Use the diving board only when necessary for attaching items such as levels, dope cards, red dots, or laser range finders.
- Always maintain a clear line of sight when using the scope mount with the diving board.
- Regularly check the stability of the diving board during use, especially if mounted items are adjusted or changed.

Disposal Instructions

- When disposing of the diving board, ensure that it is done in accordance with local regulations.
- Recycle materials where possible, particularly aluminum components.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with your product. Always ensure that you have the product details ready for efficient assistance.

This safety instruction guide is designed to promote safe usage and compliance with EU General Product Safety Regulation (GPSR). By following these guidelines, you can ensure a safe and effective experience with your Diving Board for Tactical OnePiece Scope Mount. Thank you for your attention to safety!
