SUPER DUTY TAKEDOWN PIN SET Safety Instruction Guide

Introduction

Thank you for choosing the Geissele Super Duty Stainless Takedown Pin Set. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

To ensure your safety while using the Super Duty Takedown Pin Set, please observe the following guidelines:

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product for any visible signs of damage before use.
- Store the product in a dry and safe location, away from children and pets.
- Do not modify or alter any part of the takedown pin set.
- Ensure that all components are compatible with your firearm before installation.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the Super Duty Takedown Pin Set, please adhere to these specific safety precautions:

- **Avoid Contact with Moisture:** Stainless steel is resistant to rust, but prolonged exposure to moisture can still cause corrosion. Store in a dry place.
- **Handle with Care:** Use proper tools and techniques when installing or removing the takedown pins to avoid injury.
- **Check Compatibility:** Ensure that the takedown pin set is suitable for your specific AR15 model.
- **Keep Out of Reach of Children:** This product contains small parts that may pose a choking hazard.
- **Wear Protective Gear:** When handling firearms, always wear appropriate eye and ear protection.

Instructions for Installation and Usage

Follow these steps to safely install and use the Super Duty Takedown Pin Set:

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool for installation.

2. Installation of Takedown Pins:

- Remove the existing takedown pins from your firearm by gently tapping them out with a punch tool.
- Align the new stainless steel takedown pins with the pin holes of your lower receiver.
- Carefully insert the new pins, ensuring they fit snugly.
- Install the provided detents and springs according to the manufacturer's instructions.

3. PostInstallation Check:

- Once installed, check that the takedown pins move freely and are securely in place.
- Test the functionality of the firearm to ensure proper operation.

4. Usage:

- Use the takedown pins as intended, following all standard firearm safety practices.
- Regularly inspect the pins for wear or damage during routine maintenance.

Disposal Instructions

When it comes time to dispose of the Super Duty Takedown Pin Set, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the metal components if possible.

Contact Information for Further Support

For any inquiries regarding the Super Duty Takedown Pin Set, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and reliability of your Geissele Super Duty Stainless Takedown Pin Set.
