## Stable Cheekweld When Shooting, Maximum Compactness for Carry & Storage

The Law Tactical Gen 3-M Folding Stock Adapter paired with the B5 Systems Bravo SOPMOD AR-15 stock is a winning combination that makes your AR more comfortable to shoot and easier to store and carry. Law Tactical's revolutionary Gen 3-M Folding Stock Adapter finally gives the AR-15 platform one feature it always lacked: the ability to fold the stock for the smallest possible profile during storage and carry. The molded polymer Bravo SOPMOD stock offers a more comfortable, consistent cheekweld than the original military M4 carbine stock. Gen 3-M Folding Stock Adapter offers easy, single-button operation Adapter's sturdy steel locking latch keeps the stock solidly in place when extended Streamlined Bravo SOPMOD stock resists snagging on vegetation or other gear and has a Sure-Grip latch that ensures fast length-of-pull adjustment Stock fits mil-spec (1.14" O.D.) carbine buffer tubes Both the adapter and stock have non-reflective matte black finishes The Law Tactical Gen 3-M Folding Stock Adapter even lets you adjust the hinge tension so you can choose how stiff the mechanism is during folding / unfolding. Matched with the B5 Bravo SOPMOD stock, it provides a winning combination for making your rifle more portable AND more comfortable to shoot.

## General Safety Guidelines

- Ensure that all safety precautions are followed during the usage of this product.
- Familiarize yourself with the operation of the folding stock adapter before use.
- Always handle the firearm in a safe manner, treating it as if it is loaded.
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the stock and adapter for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when adjusting the stock.
- Do not attempt to fold or unfold the stock while the firearm is loaded.
- Ensure that the hinge tension is adjusted to your preference to avoid sudden movements during use.
- Be cautious of your surroundings when using the stock in outdoor environments to prevent snagging on vegetation or gear.
- If you are inexperienced in handling firearms, seek guidance from a qualified instructor.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure that the stock is compatible with your milspec (1.14" O.D.) carbine buffer tube.
2. **Align the Stock:** Slide the stock onto the buffer tube until it is securely in place.
3. **Lock in Place:** Ensure the stock is locked in place using the steel locking latch.
4. **Adjust Length of Pull:** Use the SureGrip latch to adjust the length of pull to your comfort.

### Usage

- **Folding the Stock:**

1. Press the singlebutton operation on the folding stock adapter.
2. Gently fold the stock towards the receiver until it locks in place.

- **Unfolding the Stock:**

1. Press the singlebutton operation again.
2. Carefully unfold the stock until it locks into the extended position.

- **Adjusting Hinge Tension:**

1. Locate the tension adjustment mechanism.
2. Adjust the tension according to your preference for stiffness during folding/unfolding.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations and guidelines for electronic waste and firearms accessories.
- Ensure that all components are rendered unusable before disposal.
