

MBA-1 BUTTSTOCK WITH 223/5.56 BUFFER ASSEMBLY - LUTH-AR

MBA-1 BUTTSTOCK WITH 223/5.56 BUFFER ASSEMBLY BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MBA-1 fixed Rifle Buttstock Assembly is a complete kit that includes everything you need to assemble an A2 rifle buffer system on your .223/5.56 AR lower. The kit includes an MBA-1 Buttstock that features adjustable Length-of-Pull, and adjustable Cheek Rise, in a lightweight, affordable rifle buttstock. Comes complete with A2 Buttstock extension tube, Standard Buffer, and a .223/5.56 Buffer Spring. The modular design of the MBA Buttstock allows you to configure your buttstock to your specific and personal needs. The MBA features multiple attachment points for a sling, including molded pockets that will accept Grovtec QD cups, sold separately. A rail attachment is available. Available in Black and Flat Dark Earth.

Safety Instruction Guide for MBA1 Buttstock with 223/5.56 Buffer Assembly

Introduction

Thank you for choosing the MBA1 Buttstock with 223/5.56 Buffer Assembly. This guide provides essential safety information and instructions for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of this product by following all instructions and guidelines provided in this manual. This product is designed for nonfood use and is compliant with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements. Verify the legitimacy of the online platform before making a purchase.
- **Special Consumer Focus:** This product is not intended for use by children. Always supervise use around minors and ensure they do not have access to this product.
- **EU Contact Point:** For any safety inquiries or concerns regarding this product, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products and follow any safety alerts issued.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when handling or installing this product.
- **Assembly Area:** Ensure you are in a clean, dry, and welllit area when assembling or installing the buttstock.
- **Inspect for Damage:** Before use, inspect the buttstock and all components for any signs of damage or wear. Do not use if any parts are damaged.
- **Correct Installation:** Follow the installation instructions carefully to avoid improper assembly, which could lead to malfunction or injury.
- **Avoid Modifications:** Do not modify the buttstock or its components. Unauthorized alterations can compromise safety and functionality.
- **Proper Handling:** Always handle the buttstock with care and avoid dropping it or subjecting it to undue stress.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a wrench and screwdriver.
2. **Remove Existing Buttstock:** If replacing an existing buttstock, carefully remove it from the rifle lower receiver.
3. **Install the A2 Buttstock Extension Tube:**
 - Align the extension tube with the rifle lower receiver.
 - Secure it in place using the provided hardware.
4. **Attach the MBA1 Buttstock:**
 - Slide the MBA1 Buttstock onto the extension tube.
 - Adjust the LengthofPull and Cheek Rise to your preference.
 - Tighten all screws to ensure a secure fit.

5. **Install the Buffer and Spring:**

- Insert the Standard Buffer into the extension tube.
- Follow with the .223/5.56 Buffer Spring, ensuring it is correctly seated.

6. **Final Inspection:** Check all components to ensure they are securely attached and functioning correctly before use.

Usage Instructions

- **Adjustments:** Make adjustments to the Length of Pull and Cheek Rise as needed for comfort and proper positioning.
- **Sling Attachment:** Use the multiple attachment points for a sling as desired. Ensure that any accessories used are compatible with the MBA1 Buttstock.
- **Safety Check:** Always perform a safety check of your firearm before use. Ensure that it is unloaded and that all safety mechanisms are engaged.

Disposal Instructions

- **Environmental Considerations:** Dispose of this product in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle components of the buttstock and buffer assembly. Check with local recycling facilities for proper disposal methods.
- **Hazardous Materials:** If any components are deemed hazardous, follow specific disposal guidelines for hazardous waste.

Contact Information for Further Support

For any questions or concerns regarding the MBA1 Buttstock with 223/5.56 Buffer Assembly, please refer to the appropriate support channels available in your region.

By following these guidelines, you can ensure safe handling, installation, and use of your MBA1 Buttstock with 223/5.56 Buffer Assembly. Thank you for your attention to safety.
